PLAYGROUNDS ASSOCIATION

An Important Meeting Will Be Held Next Week.

A meeting of the Playgrounds' As-Witness identified a piece of sociation will be held next week to

terested in the movement last year express themselves as very well satisfied with the favorable expression of opinion as evidenced by the bylaw General Hains and Major Hains, who vote on Monday. They point out the significant fact that in polling subdivision No. 1 Ward, adjacent to the scene of the experiment of last year, majorities were given for the bylaw, and that the localities, where the vote sharply, and Prosecutor Darrin read indicated the most strenuous opposition, were those farthest removed from the Parke Flats, where last year's experiments were so successfully carried out.

Association Didn't Start It.

The project as submitted to the ratepayers did not-emanate from the association, though they gave the depressed since he left the witness said he thought Captain Hains was was in their power. It became manischeme, when submitted, such help as fest, however, for some time before the vote was taken, that the water bylaw and the Sunday car question absorbed the public attention that made it impossible for the merits of the playgrounds bylaw to obtain a hearing, and last year's board of grounds movement received

significant indorsement. lease by the association for a term of man Hill. This move of counsel was 1908, at a rental for the succeeding three years from the first of April, years of \$100 per annum

At the meeting to be held next week the question will be answered as to the propriety of making an appeal to vote, had manifestly the least

The Vote.

The vote on the bylaw has such & appreciation of the locality where the scheme has been in active operation, that they are worth reproducing. Subdivision 8, Ward 1, 54 for the bylaw, 52 against

Subdivision 9, Ward 1, 54 for the bylaw, 33 against. Subdivision 10, Ward 1, 56 for the

bylaw, 50 against. tiguous, 25 for the bylaw, 24 against. All of which goes to show that
