TOY TOWN OPEN TOMORROW

The news of a circus coming to town would not create any more enthusiasm among the boys and girls than the announcement of the annual opening of Toy Town down in the basement of our store—which will cover almost the whole of the Dundas Street section this season. We have been busy for weeks and weeks opening and marking toys, and tomorrow all will be open for your inspection and selection.

The anticipation of this event with the children is something more than a passing show, as there is something in Toy Town for every boy and girl in the city. WHAT IS THERE IN TOY TOWN FOR ME? is the question in their minds, which cannot be answered until you come and see, as there are new things and funny things you never saw before, but oh, girls, you ought to see the Dolls and the Doll Buggies, such dolls you never saw before; and, oh, boys, the Trains, Magic Lanterns, Blocks, Firemen, Soldiers, Performing Animals, Carts, Drums, Horns, and all the rest; the greatest lot of things you ever saw in Toy Town this year.

Saturday Will Break all Records in our Men's Store

\$16.00 Men's Suits, \$6.95.
\$1.50 Men's Winter Caps, 29c.

Just a sample of what will be doing tomorrow. Such prices, who in the world would ever think possible—but there is a history to all offerings such as these. Early in the summer a cap manufacturer had made up 480 of these caps, not all \$1.50 goods, but ranging from 50c up to \$1.50. For some reason he determined not to hold these until fall—needed the money, perhaps. We were approached; we made the price and got the lot. The 80 Men's Suits, worth \$10.00 to \$16.00, have been taken right out of our regular stock—odd and broken lines, which must be cleared, as their room is more desirable than their company now, hence the price, \$6.95, and the strongest lines we could write would not picture the value in these two offerings for Saturday. But we would remind you to make an early effort, for we cannot conceive of one of these being left by noon.

80 Men's \$10.00 to \$16.00 Suits, Saturday \$6.95.

Fancy worsted and fine tweeds and about a dozen blue and black suits in the lot. Every suit an up-to-date style and make, but we are bound to keep our regular stock clear of all odds and ends.

In this lot are the balance of our travellers' sample suits and every odd line from our entire stock, sizes 34 to 44. This should be a rush sale Saturday morning. Every suit a bargain. Worth from \$10.00 to \$16.00. See Richmond Street window. Your choice ... **\$6.95**
