

BIG BALL GAME SATURDAY AFTERNOON WHEN THE AMQUI TEAM PLAYS CAMPELLTON ON O'LEARY FIELD

# The Campbellton Graphic

VOL. XXIV—No. 5

CAMPBELLTON, NEW BRUNSWICK, THURSDAY, AUGUST 11, 1921

5 CENTS A COPY

## GET BUSY

On your House Plan. If you intend Building a Home. Don't sit back waiting for lower costs next spring. We anticipate building costs will increase if anything for 1922. Quit growling about hard times and the cold hard winter and help keep the ball rolling.

## FOR GOOD TIMES

Take the middle course between the chronic pessimist and the fatuous optimist. See present conditions up in a sane business manner and we think you will see our advice is good.

## AND BUILD NOW

The long cool days are dandy for building and there is lots of time to complete your home before fall.

**J. & D. A. HARQUAIL COMPANY, LTD.**

Contractors and Builders,  
CAMPBELLTON, N. B.

We will assist you with your plans and guarantee our quality of materials and service.

## THE MURDER OF SADIE MCAULEY

### Detectives Hard At Work—Two Suspects Were Taken.

The murder of little Sadie McAuley is still at large, but hopes are entertained that before many hours he will be apprehended. The entire police force is on the alert and Sergeant Detective Power and his staff are spending no effort in a hope of locating the whereabouts of the perpetrator of the crime.

This morning Sergeant Power mapped out his campaign, which he will conduct by a process of elimination. He has scores of rumors to run down, and by following them expects to find a clue which will assist him to land the culprit in the meshes of the law.

Two young men have already been apprehended, but in one instance the suspect was able to prove an alibi, while the statement of the other is not taken on face value, but he does not answer the description and he will be detained until there is no question of his innocence.

## SITUATION OF FOREST FIRES

### Reports From Different Sections Say No Further Immediate Danger.

St. John, Aug. 9.—The wind, weather and five hundred men, these three have been the controlling factors in the Westfield fire situation which was more hopeful tonight. Many men to combat the flames went to the spot today, but little sign of fire and but little danger.

Fredericton, Aug. 9.—Last reports made to the Crown Land Department today indicate that the forest fire situation in the province is satisfactory, without the exception of Westfield, where the rain yesterday morning lasted but for three hours, serving only to deaden the fire which is still smoldering.

Between Netervis and Lingley, where the fire jumped to Woodman's Point, the crews employed yesterday had the fire practically extinguished. Reports today from other parts of the province show that no new fires have occurred and none of the old ones have sprung up again, although large crews are patrolling all the serious wood-end fires.

Heavy rains on the Miramichi extinguished the fire at Hasletown settlement north of Doaktown. The fire on Salmon River was also extinguished by the heavy rains. These fires are still patrolled.

The Upper Gagetown fire is also practically out. Springhill, N. S. Aug. 9.—Reports from all sections of Cumberland County today are that there is no further immediate danger from forest fires. All day gangs of men were engaged in completing the work of Monday's rains, driving back and beating out creeping fires that survive the downpour.

## EDITORIAL

Are the voters of Campbellton, to be hoodwinked, and made to believe that Councillor Chamberlain's offence in working a short time for the Town, and gave honest labor, is more serious than the fact that Councillor St. Onge sold and is selling hundreds of dollars worth of hay and other feed to the town, at high prices? The alderman's duty is plain. Return both men until the public can know the facts, and get them from public hearing.

Councillor Belle-Iale will realize on election day he hasn't yet got Ward One in the hollow of his hand.

The people know that the trumped up charges are little more than a well planned conspiracy to oust Wallace from civic life.

Councillor St. Onge and Belle-Iale can't put it over the people that easy. A coward that won't give those charges a public hearing.

## Regular Meeting of Town Council.

### Election Declared for Aug. 26th to Fill Vacancies of Councillors Wallace and Chamberlain.

A meeting of the town council was held on Monday evening in the Firemen's Rooms, His Worship Mayor McKay in the Chair, with Councillors Chamberlain, St. Onge, Patterson, Belle-Iale, Wallace, Duncan and Bissett present.

His Worship in calling the meeting to order stated that charges had been preferred against Councillors W. H. Wallace and A. F. Chamberlain. These charges were handed to him in writing and were signed by five of the councillors. If the charges were true they undoubtedly meant the unseating of these members. In fact if any one of the charges preferred were true these councillors could not hold seats at the council board.

On receiving the charges he at once had copies made thereof and had mailed a copy of same to Councillors Wallace and Chamberlain, and had informed them that the matter of these charges would be dealt with at the meeting to be held this evening. He had taken this course in order that these councillors would have ample opportunity of defending themselves. He then read the charges which were as follows:—

To His Worship the Mayor of the Town of Campbellton:—

It has come by our notice that Councillors Wallace and Chamberlain are disqualified and are both sitting at the Board illegally, thus illegitimating the work of this Council.

Councillor Wallace is disqualified on the ground that he is in arrears for his water rates to the extent of two hundred dollars, the greater part of these arrears accrued at the time of his election. He is also disqualified on the ground that he has appropriated a quantity of gravel from the town's pit for his own personal contracts, without any authority from this Council, and without reporting or paying for same. He is also disqualified on the ground that he has been deriving profits indirectly on work done for the town.

Councillor Chamberlain is disqualified on the ground that he has been working for the Public Property and Streets Committee while a member of said Committee and indirectly drawing his salary from the town, which is contrary to our Town's Incorporation Act and its By-Laws.

Signed: JOSEPH DUNCAN, GEO. ST. ONGE, A. C. BELLE-IALE, J. H. MOORES, JAMES W. PATTERSON.

His Worship called the council's attention to the necessity of dealing with the charges before the council undertook to transact further business.

On motion the reading of the minutes of the previous meeting was dispensed with and the general orders of the day suspended to deal with the charges.

Councillor Belle-Iale in bringing up the matter of disqualification said, it was a painful duty he had to perform, but one he was obliged to perform. His oath of office necessitated such a course. He regretted the councillors whose seats were called into question had placed themselves in such a position as to make it imperative upon the council to remove them.

## WHEAT CROP MAY BE RECORD ONE

### Yield Expected to Be Over 25 Bushels to Acre—Some Plan 40.

Prince Albert, Sask., Aug. 10.—The Prince Albert Herald presents the most elaborate survey of northern Saskatchewan crop conditions ever attempted in this area. Information has been secured from bankers, merchants, correspondents, farmers, railwaymen and others in all districts. General unanimity exists that with food ripening weather, a wheat yield of over twenty-five bushels to the acre will be the average. Many districts expect thirty to forty bushels averages.

Many districts report a shortage of sloughs hay, owing to sloughs being full of water, but in most cases upland hay and green feed will make up the deficiency.

The crop as it appears today is one of the best in the history of Northern Saskatchewan, as good or better than in 1915.

Brantford, Ont., Aug. 10.—John Givans, Northfield Centre, reports that a field of wheat on his farm this year yielded forty bushels to the acre.

## NO HARVEST EXCURSION AUG. 16

### Mr. Morton, C. N. R. Ticket Agent Received Telegram To-day.

Mr. Morton, C. N. R. Ticket Agent at Campbellton received word today that the second harvest excursion train which was to leave here Aug. 16th had been cancelled.

## MARRIED

At Foxwarren, Manitoba, July 19th, Emily Ramsay MacDonald, daughter of Charles MacDonald, formerly of Dee Side, Que., to Gilford Holston of Foxwarren, Manitoba.

## FIREMEN CLAIM LEADER HONORS

### James Deciding Game by Score of Four to One.

After seven innings of strenuous playing last Wednesday evening the Firemen won from C. N. R. leaving them with league honors for the season.

The Colts won their second successive game from the Firemen on Friday evening. The game was one of the fastest of the season. Undoubtedly Murray and Jardine played a great game.

Wednesday Night's Game. Town all stars trim C. N. R. in first of series. Score 2-0.

In the fastest and most exciting game seen on the ball field for some time the C. N. R. went down to defeat before the town's picked team.

## ST. JOHN GIRL LEADS PROVINCE

Fredericton, Aug. 10.—Miss Kathleen P. Baird winner of the Lieutenant Governors medal for York County in the high school entrance examinations is the fourth member of one family to lead the county entering high school. She attended Charlotte school in the department of the principal, Miss Sarah H. Thompson. Her brother, Percy won the medal last year and previous to that it was won by her sisters Annie and Margaret.

## MARTINELLI TO SUCCEED CARUSO

London, Aug. 3.—A Milan despatch to the Daily News today says it is authoritatively announced that Giovanni Martinelli will succeed Enrico Caruso as the leading tenor at the Metropolitan Opera House in New York.
