This Association merits the confidence that the public is resposing in it, from the following facts:—
The Security offered to policy holders is unsurpassed by any Company doing business in the Dominion. Its progress has been unexampled in the history of Insurance in Canada. Its Policies are indisputable after three years, and non-forfeitable after two years. The Cash Profit results paid to policy-holders have not been equalled by any Company in Canada. The following are examples of actual Reduction of Premiums by application of profits:—
