Toronto			

Toronto, April 28.—The market continues strong and higher for all grades of cattle owing to the exceptionally light runs coming in this week. Choice butcher cattle are 20c to 25c higher than last week and in a few cases go more than that. An extra choice lot of six heavy steers, weighing 1,440 pounds, sold at \$8.50 and another small lot at \$8.40. Good choice butcher cows are strong at \$7 to \$7.25 and in one or two cases higher.

The sudden jump in prices this week is entirely owing to the temporary supplies.
