1920 Advantages

Has deep, wide, luxurious seats, with plenty of room. Unsurpassed in anything near its price in riding qualities. Has very high grade heavy upholstery. Has roller bearings in front hubs. Has double bulb headlight system, which is more efficient than dinner type. Has a magnet to furnish ignition independent of storage battery. Repair parts can be had almost anywhere at very little cost. Has real service behind it which has never been attempted to equal. Can always resell a used Ford to better advantage. Orders are still coming in faster but just now I am getting a good bunch every week. Will be able to give fairly prompt delivery. Once you are in the 1920 Ford the decision is made.

Help You to Resist Disease--Aid These With a Tonic to Keep the Blood Pure.

The power of your body to resist disease and to fight it after disease gets a hold of you, is one of the most precious possessions you have. You weaken this power when you let your general health run down, your blood gets thin and your nerves unsteady.

You weaken it when you worry, when you over-work, when you do not eat sufficient sleep, and when you do not get the right kind of food or because your digestion is out of order.

You preserve your power to resist disease when you keep good hours and eat proper food at the right time of day. You increase and strengthen resistance to disease when you build up your blood and nerves by the occasional use of Dr. Williams' Pink Pills, which are made from purest and healthiest ingredients.
