

AN eye-headache some times accompanied by an earache and burning sensations of the eyes is caused by an over effort of the brain to understand a blurred image that has been thrown on the retina of the eye. In the eye-camera the foci are changed by the eye muscles that swell and reduce the shape of the crystalline lens. When these muscles become weakened an optometrist must prescribe the outer-man-made lenses to bring about this focus accommodation.

An Important Fall Showing PULLAN GARMENTS AND Dorothy Dare Dresses A COMBINED DEMONSTRATION FOR for 1 Day Only—Friday, October 10

For Your Convenience the Store will be Open Until 9.30 p.m.

Special arrangements have been made with the Pullan Mfg. Co., Ltd., of Toronto, the house with the national reputation, tailors of the famous Pullan Garments and Dorothy Dare Dresses, to hold another display in our store.

We cordially invite the ladies of the town and vicinity to inspect these new Fall creations. We appeal especially to those exacting buyers who demand artistry of style expression as well as reliability of materials.

In addition to the ladies' garments we will also have on display coats suitable for misses and children, ranging in sizes from 6 years to 20 years.

A special representative will be in charge who will take measurements, explain and assist in the selection of any garment most suitable for every type of figure.

Every model on display is subject to sale and can be delivered at once.

Pullan Garments are man tailored and are characterized by refinement, superior quality and superlative values.

Whether you intend purchasing or not you should take advantage of this opportunity of seeing the finest line of ready-to-wear produced in Canada.
