"Fruit-a-lives" Cured His Rheumatism

I want to say to the people of Toronto and elsewhere that "Fruit-a-tives" is my only medicine and has been for the last four years. Previous to that, I had been very much troubled with Rheumatism and Kidney Disease, and had taken many remedies as well as employing hot applications of salt bags etc., without getting satisfactory results. Noticing the advertisement of "Fruit-a-tives", I adopted this treatment altogether and, as everybody knows, since taking "Fruit-a-tives", I have been enjoying the very best health and find it a pleasure to follow my vocation of Dancing and Deportment Instruction".
