

THE "PANHARD" TOURIST OR MOTOR COAT

G 200-N M

An absolutely "Dust Proof" garment for the protection of the dainty Summer gown. For auto and street car.

Extraordinary Value at

\$4.95

The material is specially woven in exact imitation of the expensive Summer light motor coats.

In the new shades of Cream, Champagne, Tan, Ecrú, Fawn and White.

The cut of the coat is perfect. Mannish in the extreme.

It is a long coat—52 in.—making a complete covering for the dress.

Strictly tailored with long lines, trimmed with strap-pings, pockets are finished with the rounded effect of the strap, which gives the coat quite a distinguished style. The sleeves are the shape which just suits the cut of the coat. Finished with smart turned-back cuffs. The collar and lapels are tailored, and can either be buttoned to the throat or nicely rolled back. Trimmed and fastened with pearl buttons. It has the new circular back.
