HAMILTON - ONTARIO

THE SIMPLEST, NEATEST, HANDIEST
MUSIC CABINET EVER PRODUCED

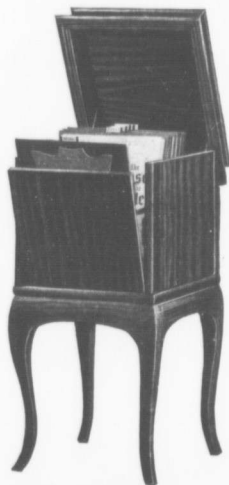

No. 76 Closed

The lifting of the cover automatically throws forward the front of Cabinet, allowing the tilting forward of the music while selecting a number, the heavy leatherboard index sheets serves to classify the music, and the lowering of the lid closes up the front, and tilts back the music into its original position.

COULD ANYTHING BE HANDIER?

Just put some sheet music in one of these cabinets and stand it on your floor so that musical people can see it and then listen to the comments. We will guarantee they will be favorable because there has never been anything to equal it for convenience in finding a piece of music.
