GARDENIA.

The following are extracts from Two Letters.

"Your letter of — received, I will take the car of oil you offer; "Send at once two Bbls. Gardenia. I have never used such nice oil before, and as long as I can buy it you can count on me as a customer; you can also depend upon it, I prefer to patronize a business whose success and profit is not dependent upon another's ruin. This is not in my catechism."

The above speak for themselves and should be a sufficient guarantee of the superior quality of Gardenia. During the past seven years I have improved the quality of the oil imported into the provinces at least fifty per cent., and being a thoroughly practical man and following my business from A to Z. I will continue to improve the quality of the oils imported. I have held the confidence of my trade almost to a man, and I refer to them for the superior quality of my oils and for the treatment they receive. I keep in stock all kinds of Oils, American and Canadian, Animal, Vegetable and Mineral, for which I respectfully solicit orders, which will be filled at lowest prices consistent with the quality of the goods I sell.
