FOREIGN MISSIONS.

Their place in the Pastorate, in Prayer, and in Conference. By A. C. Thompson, D.D.
12—MO. 2 \$1.75.

The success of Dr. Thompson's "Moravian Missions," and other works, shows an equally wide popularity for this volume, the broad scope of which is well indicated in the title. The volume is addressed to clergymen, and has to do with their relation to foreign missions. But it has a deep interest for laymen as well, for the subject involves the relation of the congregation to the question of foreign missions. The author's style is easy and fluent, rich in anecdote and allusion.

"I have never seen anything more perfect. The Helps contain a vast amount of useful and interesting knowledge."

The Rev. Donald Macleod, D.D.

"The Helps form, in my opinion, quite an unrivalled reference book. I can honestly say that I have been surprised at the amount and accuracy of the information which is here so admirably arranged, section after section."

The Rev. A. K. H. Boyd, D.D.

"All the helps a preacher or teacher can need for the study of the Bible were never before brought together in such a compendious form."

The Rev. J. Marshall Lang, D.D.

"The Helps are quite a thesaurus of most valuable information, most distinctly arranged and most succinctly expressed. I cannot conceive a more admirable vade mecum for Clergyman, Teacher, indeed for every Student of the Bible, than the OXFORD BIBLE FOR TEACHERS."
