of the Christian Endeavor pledge and other literature in Turkish, Armenian, and Greek, Dr. Clark says that the Sultan's government does not permit these to be printed, and so they are written on the cyclostyle. Endeavorers in Turkey do not dare to wear their badge, as they would become objects of police suspicion.

One of the most cloquent of the speakers at the New York Christian Endeavor Convention was Mr. Jue Hawk, who is now working among his countrymen, the Chinese, in Portland, Ore. He was unable to accept an invitation to speak at the Montreal Convention because, once over the border, our enlightened government would not let him return!

Senior societies are multiplying in Australia. One of the latest, that of the Southwark Baptist Church, was started merely as an experiment, to run only six months. At the end of six months these grown-up Eudeavorers, thirty in number, unanimously voted "that we continue as a Christian Endeavor society so long as God permits."

There is a flourishing Christian Endeavor society in the Doshisha of Japan, working chiefly among the non-Christian students. Societies of Christian Endeavor are springing up in many parts of the Sunrise Empire.

Mrs. Alice May Scudder read before the World's Congress of Representative Women at the World's Fair a long and able paper on "Woman's Work in the Society of Christian Endeavor."

It would be interesting to know just how much Presbyterian Endeavorers are contributing to all the mission boards of their church. Now comes the Woman's Presbyterian Board of Missions for the Northwest, and reports receipts from Christian Endeavor societies for the year ending April 20th of \$3676.37.

The Westminster Presbyterian Endeavorers of Toronto, Ont., have one member a missionary in China, two other members preparing for the foreign field, and four members in the home mission field for the summer. The society also conducts an extensive mission.

The District of Columbia Christian Endeavor Union took advantage of the recent presence of the General Assembly in the city to secure speakers, and held a rousing missionary rally, at which over two thous: nd were present.

The Louisiana State Christian Endeavor Union has successfully held, in New Orleans, its first annual convention.

At the recent fine convention of the Kansas State Christian Endeavor Union, although not nearly all money was reported, it was learned that the Endeavorers of the State had given at least \$3200 to denominational missions during the past year.

The results of Dr. Clark's around. the-world Christian Endeavor journey may thus be summarized, though the full accomplishment can never be known on earth. He has travelled about thirty-nine thousand miles, chief. ly by water. He has made sixteen vorages, averaging six days each in length He has not lost a day nor missed an engagement. He has stood before over two hundred and fifty audiences, more than one hundred and ten thousand people, and told them about the wonderful Christian Endeavor movement This has compelled the use, by himself and his interpreters, of fifteen languages -English, Chinese, Japanese, Tamil, Telugu, Hindi, Hindoostanee, Bengalee, Marathi, Arabic, Turkish, Armenian. Modern Greek, Spanish, and French. Into all these languages the Christian Endeavor constitution is being or less been translated. Everywhere Dr. Clark has aroused great enthusiasm, wonderfully inspired the missionaries, and greatly advanced the Christian Badeavor cause. By no means the less among the results of this journey is its reflex action on the societies at home, leading them to greater missionary interest and efforts and to deeper zeal for their society, thus shown to be workwide in its adaptability and influence
