

The Secret of Success.

The reputation of a physician depends upon his ability to properly manage his cases, and in no one class of diseases is the result of his treatment so manifest as in *menstrual disorders*.

Viburnum Compound, as represented by the formula of Dr. HAYDEN, or

HAYDEN'S VIBURNUM COMPOUND (H. V. C.)

is recognized as a standard remedy in these cases, and is so prescribed and endorsed by the most eminent men in the profession.

H. V. C. is a pronounced antispasmodic and can be administered in conditions manifested by painful menstruation with an assurance of positive relief.

H. V. C. is also indicated in **Amenorrhoea, Menorrhagia, Threatened Abortion**, and Nervous Disorders not dependent upon organic lesions.

All successful preparations are imitated and H. V. C. is no exception. Beware of substitution. Literature on request.

If administered in hot water its absorption is facilitated and its action is more promptly manifested.
