of testimonials of the most wonderful cures. voluntarily sent us, we do not publish them, as they do not make the cures. It is cur medicine, Hop Bitters, that make the cures. Fees of Doctors.

The fee of doctors at \$3.00 a visit would tax a man for a year, and in need of a daily visit, over \$1,000 a year for medical attendance alone! And one single bottle of Hop Bitters taken in time would save the \$1,000 and all the year's sickness.
