THE WALTHAM WATCH

approaches the perfection of time-keeping nearer than any other class of watches made. They run and keeptime as the rule, not as the exception. This is the result of original and accurate machinery by which a thousand can be produced exactly alike—the result of perfect accuracy can therefore be produced at less cost than by any hand process. The grades of the Waltham watches are "American Watch Company." "Appleton, Tracey & Co." Waltham Watch Company. "P. S. Bartlett." and "Wim. Ellery." All the grades are cuaranteed by the Company. Buyers should demand the guarantee to prevent being imposed on by worth-less imitations. These watches, in tiold and Silver cases of all sizes for Ladies and Gentlemen, can be obtained through all dealers

GERTIFICATE FROM MR. ALFRED Street - RNUCKLE, American House, St. Joseph

MONTHEAL, March 7th, 1872

Draft Sig.—I was afflicted during the beginning of this winter with a most severe COLD, attended with incession COI GHING, and DIFFICULTY OF BREATHING, which reduced meso low that many persons supposed I sould never recover. I tried a great many things, which were given me both by my doctors and friends; but did not receive any benefit tom anything until I commenced using your of BOARHOUND ANDCHERRY BALSAM," which seemed to give me relief immediately. I continued using it until I was completely cured, and now I believe I am as well as I ever was in my life. I would gladly recommend it to any person suffering from a similar complaint. Almost anybody who knows me can certify to the above. ALFRED ENUCKLE.
