

NEWS AND NOTES.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

We shape ourselves the joy or fear Of which the coming life is made, And fill our future atmosphere With sunshine or with shade. The tissue of the life to be We weave with colors all our own, And in the field of destiny We reap as we have sown.

Johnson's Anodyne Liniment is richly worth \$10 a bottle in certain cases. For instance, in cases of diphtheria, croup and asthma when the sufferer is almost dead for want of breath and something is required to act instantly. It costs only 35 cents.

We shall not believe that spring is really here until we see new made sugar with last season's fly specks all filed off in the grocer's window.

Veterinary surgeons all over the country are fiercely denouncing parties who put up extra large packs of worthless trash and sell it for condition powders. They say that Sheridan's Cavalry Condition Powders are the only kind now known that are worth carrying home.

No man can ever borrow himself out of debt. You must make more and spend less than you did while you were running in debt.

A bachelor says if you hand a lady a newspaper with a paragraph cut out of it, not a line of it will be read, but every bit of interest felt in the paper by the lady will centre in finding out what the missing paragraph contained, even if it was only a Minard's Liniment advertisement, stating that it cures rheumatism and all aches and pains of the human race.

The fear of ridicule is one curb upon the follies and eccentricities of human nature to which it is impossible to make men insensible.

"One of the most perfect instruments for sound instruction concerning the Church that has been offered to Churchmen. The whole temper of the book is courteous, kindly and humble. This book ought to be in the hands of every Churchman. Of all books upon this important subject it is the most readable. It is popular and attractive in style, in the best sense. We commend it most heartily to every Clergyman for personal help and parochial use. We would, if we could, place a copy in the hands of every member of the English-speaking race. And we are assured that, once begun, it will be read with interest from preface to conclusion. No better text book could be found for a class of adults, who desire to give a reason for their faith, and be Churchmen in reality.—Church Record.
