## A GREAT AFFLICTION!

### STAMMERING

None but those who have suffered with Stammering or other forms of impediment in speech, can realize what they endure who are thus afflicted. Until quite recently, this great affliction has been considered incurable. Such, however, is not the case. In this city there is one of the most successful institutions in the world, where all forms of impediment of speech are treated with the most gratifying results. At the present time, there are stammerers attending this establishment from various parts of the United States and Canada; and some remarkable cures have been effected. Those who are interested in this matter can obtain circulars with testimonials, &c., by addressing the SUTHERLAND INSTITUTE, 273 Spadina Ave., Toronto, Ont.

## HALL'S VEGETABLE SICILIAN

### Hair Renewer.

Seldom does a popular remedy win such a strong hold upon the public confidence as has HALL'S HAIR RENEWER. The cases in which it has accomplished a complete restoration of color to the hair, and vigorous health to the scalp, are innumerable.

Old people like it for its wonderful power to restore to their whitening locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong. Young ladies like it as a dressing because it gives the hair a beautiful glossy lustre, and enables them to dress it in whatever form they wish. Thus it is the favorite of all, and it has become so simply because it disappoints no one.
