**Ayer's Cherry Pectoral,**

For Diseases of the Throat and Lungs,  
such as Coughs, Colds, Whooping  
Cough, Bronchitis, Asthma,  
and Consumption.

Probably never before in the whole history of  
medicine, has anything won so widely and so deeply  
upon the confidence of mankind, as this excellent  
remedy for pulmonary complaints. Through a long  
series of years, and among most of the races of  
men it has risen higher and higher in their estima-  
tion, as it has become better known. Its uniform  
character and power to cure the various affections  
of the lungs and throat, have made it known as a re-  
liable protector against them. While adapted to  
milder forms of disease and to young children, it is  
at the same time the most effectual remedy that can  
be given for incipient consumption, and the dan-  
gerous affections of the throat and lungs. As a pro-  
vision against sudden attacks of Croup, it should  
be kept on hand in every family, and indeed as all  
are sometimes subject to colds and coughs, all  
should be provided with this antidote for them.

Although settled Consumption is thought in-  
curable, still great numbers of cases where the dis-  
ease seemed settled, have been completely cured,  
and the patient restored to sound health by the  
*Cherry Pectoral*. So complete is its mastery  
over the disorders of the Lungs and Throat, that  
the most obstinate of them yield to it. When noth-  
ing else could reach them, under the *Cherry Pec-  
toral* they subside and disappear.

*Singers and Public Speakers* find great pro-  
tection from it.

*Asthma* is always relieved and often wholly  
cured by it.

*Bronchitis* is generally cured by taking the  
*Cherry Pectoral* in small and frequent doses.

For a Cough and Cold, no better remedy can  
be had. Take small doses three times a day and  
put the feet in warm water at night, until the  
disease is broken up.

For *Influenza*, when it affects the throat or  
lungs, take the same course.

For *Whooping Cough*, give small doses three  
or four times a day.

For *Croup*, give large and frequent doses until  
the disease is overcome.

No family should be without the *Cherry Pec-  
toral* on hand to protect them, in case of attack,  
from the above complaints. Its timely use often  
spares the patient a great amount of suffering and  
risk, which he would incur by waiting until he  
could get other aid. Parents, keep it in your houses  
for the exigencies that arise. Lives dear to you  
may be saved by it.

So generally are its virtues known, that we need  
not publish certificates of them here, or do more  
than assure the public that the best qualities it ever  
possessed are strictly maintained.

Prepared by DR. J. C. AYER & CO., Practical  
and Analytical Chemists, Lowell, Mass., and sold  
all round the world.

**Ayer's  
Hair Vigor,**

For restoring Gray Hair to  
its natural Vitality and Color.

A dressing which  
is at once agreeable,  
healthy, and effectual  
for preserving the  
hair. Faded or gray  
hair is soon restored  
to its original color  
with the gloss and  
freshness of youth.  
Thin hair is thick-  
ened, falling hair checked, and bald-  
ness often, though not always, cured  
by its use. Nothing can restore the  
hair where the follicles are destroyed,  
or the glands atrophied and decayed.  
But such as remain can be saved for  
usefulness by this application. Instead  
of fouling the hair with a pasty sedi-  
ment, it will keep it clean and vigorous.  
Its occasional use will prevent the hair  
from turning gray or falling off, and  
consequently prevent baldness. Free  
from those deleterious substances which  
make some preparations dangerous and  
injurious to the hair, the Vigor can  
only benefit but not harm it. If wanted  
merely for a

**HAIR DRESSING,**  
nothing else can be found so desirable.  
Containing neither oil nor dye, it does  
not soil white cambric, and yet lasts  
long on the hair, giving it a rich glossy  
lustre and a grateful perfume.
