

## FROM SUFFERING TO HEALTH.

THE EXPERIENCE OF A WELL-KNOWN  
BRUCE COUNTY FARMER.

He Tells the Story of the Disease That Afflicted Him, the Sufferings He Endured and How He Found Release—Other Sufferers May Take Hope From His Release.

From the Teeswater News.

Of all the ills that flesh is heir to perhaps none causes the sufferer keener anguish, and few are more persistent and more difficult to eradicate from the system than that nervous disease known as sciatica. The victim of an aggravated form of this malady suffers beyond the power of words to express, and it is with the utmost reluctance that the disorder yields to any course of treatment intended for its cure. Hearing that a rather remarkable cure had been effected in the case of Mr. William Baptist, a respected resident of the township of Culross, a News reporter called upon that gentleman to ascertain the facts. Mr. Baptist is an intelligent and well-to-do farmer. He is well known in the section in which he resides and is looked upon as a man of impeccable integrity. He is in the prime of life, and his present appearance does not indicate that he had at one time been a great sufferer. He received the News representative with the utmost cordiality, and cheerfully told the story of his restoration to health, remarking that he felt it a duty to do so in order that others afflicted as he had been might find relief.

Up to the fall of 1892 he had been a healthy man, but at that time while harvesting the turnip crop during a spell of wet, cold and disagreeable weather, he was attacked by sciatica. Only those who have passed through a similar experience can tell what he suffered. He says it was something terrible. The pain was almost unendurable and would at times cause the perspiration to ooze from every pore. Sleep forsook his eyelids. His days were days of anguish and night brought no relief. Reputable physicians were consulted without any appreciable benefit. Remedies of various kinds were resorted to and his condition was worse than before. The limb affected began to decrease in size, the flesh appeared to be parting from the bone, and the leg assumed a withered aspect. Its power of sensation grew less and less. It appeared as a dead thing and as it grew more and more helpless it is little wonder that the hope of recovery began to fade away. All through the long winter he continued to suffer, and towards spring was prevailed upon to try Dr. Williams' Pink Pills. He commenced using them and soon felt that they were doing him good, and hope began to revive. By the time he had taken three boxes the pain was eased and the diseased limb began to assume a natural condition. He continued the use of the remedy until he had taken twelve boxes. In course of time he was able to resume work and today feels that he is completely cured. He has since recommended Dr. Williams' Pink Pills to others with good results.

An analysis shows that Dr. Williams' Pink Pills contain in a condensed form all the elements necessary to give new life to the blood and restore shattered nerves. They are an unfailing specific for all diseases arising from an impoverished condition of the blood, or from an impairment of the nervous system, such as loss of appetite, depression of spirits, anemia, chlorosis or green sickness, general muscular weakness, dizziness, loss of memory, locomotor ataxia, paralysis, sciatica, rheumatism, St. Vitus' dance, the after effects of la grippe, and all diseases depending upon a vitiated condition of the blood, such as scrofula, chronic erysipelas, &c. They are also a specific for the troubles peculiar to the female system, building anew the blood and restoring the glow of health to pale and sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses.

Dr. Williams' Pink Pills are manufactured by the Dr. Williams' Medicine Co., Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark and wrapper, at 50 cents a box or sixes boxes for \$2.50, and may be had of all dealers or direct by mail from the Dr. Williams' Medicine Co. at either address. Beware of imitations and substitutes.

## CORRESPONDENCE.

## NEWS FROM THE NORTH WEST.

To the Editor of THE TRUE WITNESS:

SIR,—It is with great pleasure that I send you some information from the far North West. Our beloved Bishop Grandin, of St. Albert, N. W. T., paid his pastoral visit at Macleod and Pincher Creek, on the 7th July, 1894, and on the 8th, Sunday, he said Mass at 8 a.m., and at High Mass preached a sermon in French, which was subsequently explained by our beloved parish priest, the Reverend Father Gravel, nephew of Bishop Gravel, Nicolet, P. Q. At evening service we had a splendid sermon by our own priest, Father Gravel. Our little church was crowded with all denominations, also the school room, a wing built and opening into the church, was filled. The great attraction was the Sacrament of Confirmation, to be given by His Lordship. Sixteen were confirmed, five of whom were converts to the Roman Catholic faith, which speaks well for our Catholic religion in the North West. They were all adults, ranging from 25 to 40 years of age. His Lordship also confirmed six in Pincher Creek. His Lordship was received with great pleasure and respect by our little community of Catholics in Macleod. An address was presented to him in English and French, to which His Lordship replied in a very nice manner. We also had a grand sermon by Father Gravel, on Sunday, at Vespers, on the life, death and good works of the late Archbishop Tache, the great Apostle of the North West and Great Lone Land Missionary for fifty years.

JOHN RYAN, SR.,

A Macleod Subscriber.

Macleod, N.W.T., July 12, 1894.
