The cheapest Insurance Company in this city is undoubtedly THE MUTUAL INSURANCE COMPANY. The rates of insurance are generally half as much as those of other Companies with all desirable security to parties insured. The sole object of this Company is to bring down the cost of insurance on properties to the lowest rate possible for the whole interest of the community. The citizens should therefore encourage liberally this flourishing Company.

THE BATTLE FOR LIFE!

Which is continually going on between health and disease, has never received from any medicine a marked and unmistakable assistance, on the side of health, as it has from

BRISTOL'S SARSAPARILLA.

This powerful vegetable detergent has been fully tested in nearly every part of the civilized world. It has been tried in long-standing cases of

SCROFULA,

and has invariably been successful in curing them. It has been again and again tested in Fever and Ague Intermittent and Remittent Fevers, and always with the same excellent results. In

RHEUMATISM AND GOUT

it is infallible, curing cases that had resisted all other treatment for nearly a lifetime, allaying every phase of inflammation, and leaving the joints in a natural condition. In

OLD SORES

it is a sovereign remedy—causing new circulation of the blood around the edges of the sore, and speedily filling up and drawing together the flesh, which in old sores is generally inert and lifeless. In

SORE EYES AND RUNNING EARS

the effect is truly wonderful. The scrofulous and depraved blood and humors on which such sores feed and live, are neutralized at the stomach, the fountain-head, and new and healthy blood soon washes away every vestige of disease. In

ULCERS AND TUMORS

the effect is equally gratifying, although of course, it is necessary to persevere for some months in diseases such as those having their origin in bad blood and humors; and in such diseases as

CANCER,

the Sarsaparilla should be continued for at least four or five months after the trouble has to all appearance been overcome, because, unless this is done, and the nature of the blood and humors be entirely changed throughout the whole body, the disease is liable to return with unabated force. In

BOILS AND CARBUNCLES

the Sarsaparilla should be taken five or six times a day, but not in very large doses—say two or three tablespoonfuls at a time. And in all of these diseases we strongly urge the use of Bristol's Sugar-Coated Pills in conjunction with the Sarsaparilla, taking two or three pills every second night on retiring to rest. In this way, cures will be more speedily effected.

Ayer's  
Hair Vigor,

For restoring Gray Hair to  
its natural Vitality and Color.

A dressing which  
is at once agreeable,  
healthy, and effectual  
for preserving the  
hair. Faded or gray  
hair is soon restored  
to its original color  
with the gloss and  
freshness of youth.

Thin hair is thick-  
ened, falling hair checked, and bald-  
ness often, though not always, cured  
by its use. Nothing can restore the  
hair where the follicles are destroyed,  
or the glands atrophied and decayed.  
But such as remain can be saved for  
usefulness by this application. Instead  
of fouling the hair with a pasty sedi-  
ment, it will keep it clean and vigorous.  
Its occasional use will prevent the hair  
from turning gray or falling off, and  
consequently prevent baldness. Free  
from those deleterious substances which  
make some preparations dangerous and  
injurious to the hair, the Vigor can  
only benefit but not harm it. If wanted  
merely for a

HAIR DRESSING,  
nothing else can be found so desirable.  
Containing neither oil nor dye, it does  
not soil white cambric, and yet lasts  
long on the hair, giving it a rich glossy  
lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co.,

A BOUQUET.

VIOLETS AND WATER LILLIES

Exhale an exquisite fragrance, agreeable to the  
most fastidious, but in the Florida Water of Murray  
& Lanman it is not to these two floral beauties alone  
that we are confined; in it we have the full fragrance  
of a whole bouquet of blooming tropic flowers.

MOSS-ROSE AND JASMIN,

Exquisite in their odors, are yet poor by compari-  
son with the clouds of incense that arise from Mur-  
ray & Lanman's Florida Water, so justly styled 'The  
Queen of Floral Perfumes'

ORANGE FLOWERS AND HONEYSUCKLE,  
Delightful in the pure delicacy of their sweet  
breath, but faint and fading when compared with  
the refreshing and strengthening perfume of Murray  
& Lanman's Florida Water.

PRIMROSES AND HELIOTROPE,  
Full of sweet perfume, and agreeable to many, but  
void of those important hygienic properties which  
make Murray & Lanman's Florida Water so welcome  
in a sick-room.

DAISIES AND BUTTERCUPS,  
Nature's every-day perfume, exhaling floral in-  
cense familiar to us all, but from which we turn es-  
pecially away to the more refined, delicate fragrance  
of Murray & Lanman's Florida Water.

LAVENDER AND MAGNOLIAS,  
Rich with heavy perfume, but not invigorating nor  
refreshing, and so sweet that the sense of smell soon  
cloys, and longs for the simple freshness of Murray  
& Lanman's Florida Water.

SWEET BRIER AND CLOVER BLOOM,  
Bringing memories of country life, and exhaling a  
perfume pure and delicate, but lacking uniformity  
and permanence so marked a feature in Murray  
& Lanman's Florida Water.

MIGNONETTE AND DAFFODILS,  
Of poetic celebrity, sweet and pleasant in the per-  
fume, but still only the perfume of single flowers.  
In Murray & Lanman's Florida Water we have the  
combined fragrance of more than all these floral  
beauties; we have the unsurpassable richness of  
the far-off tropic flowers made permanent, and giving  
justly to the exquisite Toilet-Water the title of

THE EVERLASTING PERFUME.

Purchasers should be careful to ask for the  
Florida Water prepared by Lanman & Kemp, New  
York, who are the sole proprietors of the genuine  
perfume.

For Sale by all respectable Druggists, Perfumers,  
and Fancy Goods Dealers.
