Biliousness, Fever and Ague.

So pleasantly do Dr. Morse's Indian Root Pills search out and drive away the seeds of diseases that all persons living in a country where fever and ague and all other bilious diseases are prevalent, will find they should never be without them. From two to four pills each night upon going to bed, will in a short time, drive away the sickly yellow look of bilious persons, and bring to their cheeks a beautiful glow of perfect health. Dr. Morse's Indian Root Pills are sold by all dealers in medicine.

A BROAD-MINDED DOCTOR.

RELATES SOME EXPERIENCES IN HIS OWN PRACTICE.

Believes in Recommending Any Medicine That He Knows Will Cure His Patients
—Thinks Dr. Williams' Pink Pills a Great Discovery.

"AKRON, PA., April 24th, '95.

Dr. Williams' Medicine Co.:

GENTLEMEN,—While it is entirely contrary to the custom of the medical profession to endorse or recommend any of the so-called proprietary preparations, I shall, nevertheless, give you an account of my wonderful experiences with your preparation, Dr. Williams' Pink Pills for Pale People. The fact is well known that medical practitioners do not as a rule recognize, much less use preparations of this kind, consequently the body of them have no definite knowledge of their virtue or lack of it, but roundly condemn them all without a trial. Such a course is manifestly absurd and unjust, and I, for one, propose to give my patients the best treatment known to me, for the particular disease with which they are suffering, no matter what it is, where or how obtained. I was first

D. J. ALBRIGHT, M.D.

brought to prescribe Dr. Williams' Pink Pills about two years ago, after having seen some remarkable results from their use. Reuben Hoover, now of Reading, Pa., was a prominent contractor and builder. While superintending the work of erecting a large building during cold weather he contracted what was thought to be sciatica, he having noticed it one morning in not being able to arise from his bed. After the usual treatment of this disease he failed to improve, but on the contrary grew rapidly worse, the case developed into hemiplegia, or partial paralysis of the entire right side of the body. Electricity, tonics, and massage, etc., were all given a trial, but nothing gave any benefit and the paralysis continued. In despair he was compelled to hear his physician announce that his case was hopeless. About that time his wife noticed one of your advertisements and concluded to try your Pink Pills.

He had given up hope and it required a great deal of begging on the part of his wife to persuade him to take them regularly.

He, however, did as she desired, and if appearance indicates health in this man, one would think he was better than before his paralysis.

"Why," says he, "I began to improve in two days, and in four or five weeks I was entirely well and at work."

Having seen these results I concluded that such a remedy is surely worth a trial at the hands of any physician, and consequently when a short time later I was called upon to treat a lady suffering with palpitation of the heart and great nervous prostration, after the usual remedies failed to relieve, I ordered Dr. Williams' Pink Pills. The result was simply astonishing. Her attacks became less frequent and also less in severity, until by their use for a period of only two months, she was the picture of health, rosy-cheeked and bright-eyed, as well as ever, and she has continued so until to-day, more than one year since she took any medicine. I have found these pills a specific for chorea, or as more commonly known, St. Vitus' dance, as beneficial results in all cases have marked their use. As a spring tonic, any one who, from overwork, or nervous strain during a long winter has become pale and languid, the Pink Pills will do wonders in brightening the countenance and in buoying the spirits, bringing roses to the pallid lips and renewing the foundation of youth.

Yours respectfully,
J. D. ALBRIGHT, M.D."

Keep the Works in good order.

NORMAN, Ont., January 15, 1896.
W. H. COMSTOCK, Brockville, Ont.
DEAR SIR,—Your "Dr. Morse's Indian Root Pills" are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is the result?—at first, only a slight difference is perceptible in its time-keeping, but wait you; as the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire works. So it is in human life—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little trouble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve vigor and vitality.
Yours faithfully,
H. F. ARWELL.

DEAR SIR,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root Pills." Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills.

DEAR SIR,—This is to certify that I deal in Patent Medicines, including various kinds of Pills. I sell more of the Dr. Morse's Indian Root Pills than of all the other remedies, by these sales I find are still increasing.

FOR SALE BY ALL DEALERS

A STIMULANT. A TONIC. A FOOD.

FOR OLD PEOPLE.
FOR YOUNG PEOPLE.

Should you find the cold, raw autumn wind chilling you to the bone and making you feel as though you could almost stand the still colder weather yet to come. Try a half-pint bottle a day of our Extra Porter; the cost will be but a trifle over five cents per day and may do you a great deal of good.

Porter enriches the blood, warms up the system and generally produces a cheerfulness of mind and a desire to look upon the brighter side of life.
Many people say "I don't like porter or lager, if I did I would use it regularly and no doubt be benefited by its use." Now, people, as a general thing, don't use only the medicines prescribed for them, that are palatable or that just suit their fancy, they take anything and everything the doctor sends. So we say to such people take your porter as an article of fully recognized medicinal value, whether you like it or not. Porter—and this applies equally to our ale or lager—is so mild a stimulant that none of the depressing effects sometimes felt after using stronger stimulants is experienced.
Bottled in quarts, pints and half-pints, the latter one glass, no waste always fresh.
