I have the honour to refer to my despatch No. 1287, dated the 17th May 1938, and to the Civil Procedure Conventions which have been concluded with the various Provinces, Islands, Fisheries and the Netherlands, all of which have been signed and duly ratified.

I have the honour to state that His Majesty's Government in Canada desire that in accordance with the stipulations therein contained, these Conventions shall be extended to Canada by notification to the respective Governments. Such extension should, if it is possible, come into force from a fixed date and it is desirable that that date should be the first day of January 1939. It however, the adoption of a fixed date is impracticable, the date of ratification would be satisfactory; and further if the date suggested is not satisfactory, a later date may the first day of February, 1939, should be adopted.

The authorities to whom judicial and extra-judicial Acts and Commissions are to be transmitted will be where action is to be taken in any Province in Canada, the Attorney-General of such Province; and in the Yukon Territory, the Commissioner of the North West Territories; and in the Yukon Territory, the Gold Commissioner of that territory. The language in which communications to such authorities and translations are to be made other than English, except in the Province of Quebec, where they may be made either in English or in French. In order to facilitate execution, Commissioners, Registrars should contain full and complete interrogatories.

I have included a tabulated list of the authorities together with their addresses in my despatch No. 251 of even date herewith.

I shall be obliged, therefore, if steps will be taken to make the necessary notifications to the interested Governments.

I have the honour to be,
 Sir,

 humble servant,
