

9.2 Parties shall take such reasonable measures as may be available to them to ensure that international and regional certification systems in which relevant bodies within their territories are members or participants comply with the provisions of Article 7, with the exception of paragraph 2 having regard to the provisions of Article 9, paragraph 3. In addition, Parties shall not take any measures which have the effect of, directly or indirectly, requiring or encouraging such systems to act in a manner inconsistent with any of the provisions of Article 7.

9.3 Parties shall take such reasonable measures as may be available to them to ensure that international and regional certification systems, in which relevant bodies within their territories are members or participants, are formulated and applied so as to grant access for suppliers of like products originating in the territories of other Parties, under conditions no less favourable than those accorded to suppliers of like products originating in a member country, a participant country or in any other country, including the determination that such suppliers are able and willing to fulfil the requirements of the system. Access for suppliers is obtaining certification from an importing Party which is a member of or participant in the system, or from a body authorized by the system to grant certification, under the rules of the system. Access for suppliers also includes receiving the mark of the system, if any, under conditions no less favourable than those accorded to suppliers of like products originating in a member country or a participant country.

9.4 Parties shall ensure that their central government bodies rely on international or regional certification systems only to the extent that the systems comply with the provisions of Article 7 and Article 9, paragraph 3.
