

(a) The Government of that State or a political subdivision or local authority thereof or any agency or instrumentality of any such government, subdivision or authority, and

(b) (i) A trust, organization or other arrangement that is operated exclusively to administer or provide pension, retirement or employee benefits; and

(ii) A not-for-profit organization

that was constituted in that State and that is, by reason of its nature as such, generally exempt from income taxation in that State."

2. A new sentence shall be added at the end of paragraph 3 of Article IV (Residence) of the Convention as follows:

"Notwithstanding the preceding sentence, a company that was created in a Contracting State, that is a resident of both Contracting States and that is continued at any time in the other Contracting State in accordance with the corporate law in that other State shall be deemed while it is so continued to be a resident of that other State."

#### ARTICLE 4

Paragraphs 3 and 4 of Article IX (Related Persons) of the Convention shall be deleted and replaced by the following:

"3. Where an adjustment is made or to be made by a Contracting State in accordance with paragraph 1, the other Contracting State shall (notwithstanding any time or procedural limitations in the domestic law of that other State) make a corresponding adjustment to the income, loss or tax of the related person in that other State if:

(a) It agrees with the first-mentioned adjustment;

and

(b) Within six years from the end of the taxable year to which the first-mentioned adjustment relates, the competent authority of the other State has been notified of the first-mentioned adjustment. The competent authorities, however, may agree to consider cases where the
