

Questions

WORLD FAIR—CONTRACTS FOR SOD

Question No. 1,232—Mr. Madill:

1. Were tenders called for the supply of sod for the site of the 1967 world exhibition and, if so (a) were they open to producers of the provinces of Ontario and Quebec (b) were any tenders received from producers of high quality sod in the province of Ontario (c) were tenders from producers in the province of Ontario competitive?

2. Has a decision been reached to award contracts to one or more British Columbia producers and, if so, has it been demonstrated that sod of a quality comparable to that available in the province of Ontario can be shipped from the province of British Columbia to the Montreal site at a competitive price?

Answer: 1. (a), (b), (c) Yes.

2. No.

IRON ORE PRODUCTION

Question No. 1,237—Mr. Tucker:

What was the total production of iron ore, in dollar value and in tons, in each province of Canada, from January 1 to December 31, 1963, inclusive?

Answer:

| Province | Iron Ore, 1963 | |
|----------------------|--------------------------|-------------|
| | Quantity (short tons) | Value \$ |
| Newfoundland | 9,407,100 | 83,620,025 |
| Prince Edward Island | — | — |
| Nova Scotia | — | — |
| New Brunswick | — | — |
| Quebec | 11,811,000 | 123,525,340 |
| Ontario | 6,844,660 | 65,368,600 |
| Manitoba | — | — |
| Saskatchewan | — | — |
| Alberta | — | — |
| British Columbia | 2,071,838 | 19,846,836 |
| Canada | 30,134,598 | 292,360,801 |

RECIPIENTS OF UNEMPLOYMENT ASSISTANCE

Question No. 1,239—Mr. Orlikow:

As of May 1, 1964, how many people classified as employable unemployed were receiving assistance in each province under the provisions of the Unemployment Assistance Act?

Miss LaMarsh: Figures are not available on the number of employable unemployed covered by the sharing provisions of the Unemployment Assistance Act on May 1, 1964. The act does not require the provinces to provide data on this basis.

DEFENCE PRODUCTION SHIPBUILDING CONTRACTS

Question No. 1,241—Mr. MacEwan:
