(d) The NPA has provided the Council since its establishment with other funds totalling \$12,949 for the provision of office supplies, secretarial assistance and administrative expenses in association with the duties of the Council. It should be noted that pursuant to Section 29 of the Northern Pipeline Act all expenses of the Agency are recoverable from Foothills Pipe Lines (Yukon) Ltd.

2. (a) The terms of reference of the Council are listed below.

(b) In fiscal year 1982-83, the Council considered issues related to: (i) status of Alaska Highway Gas Pipeline Project; (ii) proposed routing of pipeline through Yukon; and, (iii) socio-economic plans required under proposed terms and conditions.

(c) In fiscal year 1982-83, the Council met five times. The Council met less frequently in this fiscal year than previously as a result of the announced delay in the completion of the pipeline project. There is no requirement for the Council to meet a special number of times.

(d) The Council did not publish any reports or recommendations in 1982-83.

Order Respecting the Yukon Territory Advisory Council  
Short Title

1. This Order may be cited as the Yukon Territory Advisory Council Order.

Establishment of Council

2. There is hereby established an advisory council to be called the Yukon Territory Advisory Council, hereinafter referred to as "the Council".

Terms of Reference

3. The Council shall, in accordance with such rules of procedure as it from time to time establishes, assist the Minister responsible for the Northern Pipeline in carrying out the objects of the Northern Pipeline Act by giving advice and providing recommendations to him in all areas related to the Yukon portion of the Alaska Highway Pipeline, including:

(a) ways to minimize any adverse social and environmental effects of the project and to maximize social and economic benefits including employment opportunities from the construction, operation and maintenance of the pipeline; and,

(b) advice on local and regional interests related to the pipeline and measures to facilitate effective consultation and communication with groups and communities affected by the pipeline.

Publication of Reports

4. In carrying out its activities within the terms of reference set out in Section (3), the Council may, from time to time,
