MONTREAL

October 23rd, 1935.

A.E.Morgan Esq.,
Principal, McGill University,
Montreal.

Dear Sir,

I beg to make application for the position as "Steward" or "Manager" of the new "Faculty" Club.

For the last seven years I have been "Steward" of the Royal St. Lawrence Yacht Club in the summer and "Mess Steward" of the Grenadier Guards in the winter.

I have full knowledge of all that would be required for the successful operation of the "Faculty" Club; re. purchasing, handling staff, and economical operation.

I can refer you to Lieut-Col. G.S. Stairs, the present commanding officer of the Grenadier Guards; Lieut-Col. F.R. Phelan, the last commanding officer of the Grenadier Guards; Lieut-Col. R.R. Thomson, Professor of the School of Commerce, McGill University; Lieut-Col. E.B.Q. Buchanan, the commanding officer of the McGill Officers Training Corps.

I would be pleased to forward any further particulars, or would wait upon you, at your convenience, if you would grant me a personal interview.

I beg to remain, dear sir,

Yours faithfully,

Robert Hunter
