General Sir Arthur Currie,
Principal of McGill University,
Montreal, P.Q.

Dear Sir Arthur:

Enclosed you will find a number
of pages taken from the Machinists' Monthly
Journal, the official magazine of the
International Association of Machinists,
containing a story on the Universities of
Canada, and a brief mention of yourself.

Having served under you as a private
and afterwards a junior officer in the good
old 42nd Royal Highlanders it is always a
pleasure to give you a boost.

Wishing you continued success, I am,

Sincerely,

Canadian Correspondent.
