

Quebec, October 12th, 1922.

Dear Sir Arthur :-

An application has been made by
Alfred George Jacques for a position in the University
Forest Products Laboratory.

Mr. Jacques is a Mc Gill B.Sc. and for the last three
years he has been in the chemistry branch of Price Bros,
& Co's big paper plant at Kenogami.

He served with credit in the Mc Gill Heavy Battery
"Corps Artillery" and had the rank of Sergeant.

I can speak most highly for his personal character,
and family.

Believe me,

Faithfully Yours.

R. W. Turner.

To. General Sir A. W. Currie,
G.C.M.G.K.C.B.

Montreal.
