CAUSE HEAVY

Reily Manufacturing Comand Twine Company Lost Twenty-Five Thousand Dollars in Fire Which Smoldered for Two Hours.

Damage estimated at \$25,000 was to lose the business. done to the stock and building of the Relly Manufacturing Co. and the Victoria Twine and Paper Co. at 443 West King street by fire, which broke out at 7.30 last night.

James Gragie, 37 Mercer street, dis- ness. covered the fire and sent in the alarm. Gragle was putting up his horses in petition with American mills. a stable at the rear, and smelling smoke came outside to find a cloud of it belching from the basement of the

The fire, which was confined wholly to the basement, must have been burning for some time, for the firemen found it to have got a good start. Seven lines of hose with good pressure played on the flames, but not until the basement was practically flooded, two hours later, was the blaze extin-

Practically all of the Twine and ment and their loss will amount to probably \$10,000, while the estimated damage to the Reily Manufacturing Co., \$15,000, was caused almost en tirely by smoke and water.

The building, which is owned by Lieut.-Col. Cowan, is damaged only to the extent of about \$800. The damage is pretty well covered

by insurance. No person was in the building when the fire started.

Free Trade in Freight Rates and the C.P.R.

The World is for free trade in freight rates. If the American railways can carry western Canadian grain

for less than Canadian railways, let them have it.

If the Canadian Pacific Railway—with its reserves of half a billion dollars (real estate, shares in other roads, deferred payments on land, interest, etc.), and from sixty to one hundred millions of dollars of cash in bank, with its associated express, pany and Victoria Paper cartage, telegraph, hotel, diner, sleeper, steamship and ocean vessel monopoly, not to mention single ownership from the Pacific to Europe-if the the C.P.R. cannot carry our wheat against the American roads with divided ownership, of enormous debts, with little or no credit, with discouragements of many kinds, with a railway commission that does cut their rates, with parcel post competition and other things—then it deserves

· The repeal of our duty on wheat and flour will put the C.P.R. up to the issue.

We haven't any doubt that when it is put up to that road, freight rates will come down, and the C.P.R. will hold the busi-

Canadian mills must also learn to grind our wheat in com-

Let's find out how much there is in this baby act business Queen street undertaker, and an of the C.P.R. and the Canadian mills that they can't compete! autopsy held. A jury then was hastily Our flour mills ought to join the western farmers in insisting on the same freights in the west as in the east, and, if necessary, they ought to insist on much lower freights all round. It's the C.P.R. freights, not the United States tariff, that they must mains and adjourned until tonight at fear, or lack of a Canadian tariff that they must bear.

The Canadian Pacific must climb down; but it won't climb Bay. down so long as it has the Canadian tariff on wheat as a protecting wall for its excessive charges and unpatriotic conduct. Never forget that it is the C.P.R. that is the head of the Godfrey attended him. He died on Sat-breaker," and his fellow commission-

Intended for Bear, It Struck and Killed James Wilson -First Fatality of Hunting Season.

James Wilson, a prominent resident loreds. The government he declared, of Warren, was accidentally shot and was determined to submit neither to instantly killed by Joseph Vincent, minority rule nor to anarchy. when the two men were hunting wolves near the main line of the C. P. Augustine Birrell, chief secretary for R., 20 miles west of North Bay.

ceding the fatal accident the men separated after striking the trail of a pack, each agreeing to take a certain direction. After traveling for some distance Vincent's attention was attracted by a moving object in the long grass of the ravine. Thinking it was a bear, he fired, but to his horror on running to the spot, found he had shot his companion thru the head, death being almost instantaneous.

Vincent states that for some reason Wilson had changed his course as according to their agreement he should not lave been in that locality.
