WHITEWASH DOSE FOR THE STANDARD

of a Time in Bank League Fixture.

The Bank League fixture at the Arena last night was just a light workout for the Dominion squal, who downed the Standard seven, 11 to 0. It never was a hockey match at any stage, and the Do-

	Several of the games were close, Davy. Prentice, Dr. Peaker, Geo. Orr and President Brunton winning by one shot. John Rennie, with Ross Harstone playing third, took a long lead in the early ends, but Geo. Loveys pulsed it down to three shots at the finish. Col. Rennie (Queen City) and A. D. McArthur (Torontos), skips who generally go a long distance in this competition, went out last night before Bill Scott of Parkdale and J. R. Wellington of Queen City. As there were sixty-seven original entries and no defaults, just forty-six rinks remain. When the remaining fourteen games are decided in the first round they will be down to the 32's. Judge Brunton won his game by a sixfoot raise in an extra end. Dreany boosted in a second shot with his last stone, and gave the game to Geo. Orr. January Stock Reducing

The Last Ten Days of a Remarkable Sale

So far this year our January Sale has been one of the most successful we have ever had; due in some part, no doubt, to the large and well assorted stocks we carried. It is our intention to make the balance of the month show up equally as well. Each of the ten days intervening between now and stock listing will present specially noteworthy price reductions on selected lines---prices that will undersell hitherto matchless value-giving. In our store s custom rules we must clear everything in each department. Emphasizing fur values, we invite critical inspection and comparison, knowing "Fairweather's" quality will always sell itself.

By coming like a house afire in the ast ten minutes St. Michaels were able to tie up the score and finally win out from their rather over-confident opponents, St. Andrews, by the score of four to three, yesterday afternoon in the to three, yesterday afternoon in the Arena. The Scotchmen were odds-on favorites at the start and easily looked good enough to get away with the victory until about the middle of the second half, when the Green Shirts suddenly took a brace and proceeded to hit up a ten flat pace. The sudden reversal of form caught their opponents napping, and before they were actually aware of it, St. Mikes had tied 'he score and were rushing them back on the defensive with every move. It didn't take long for them to get another, as they continued their dazzling pace, while St. Andrews found themselves battling against unmistakable odds.

Robinson offers his third to O'Neill for \$2500, and Bobby promises to hold open house when he gets the money. Garlow, Hamilton's Indian pitcher, has been sold to the Boston Nationals. Toronto Canoe Club Whitewash the Poor Aurora Seven in Listless Game.

The junior game staged by Toronto Canoe Club and Aurora at the Arena last night found T.C.C. with another of their bad nights. and it was more shinny than good hockey. Aurora were crude and all they knew was to chop thruout. There was absolutely no combination by either team, and the score, 7 to 0 for the red ring paddlers, was a fair indication of the

ring paddlers, was a fair indication of the play.

The checking was poor by the visitors, and it was only here that the paddlers showed anything like class. They were away off in their shooting and could never get more than one man across the ice. Young was not up to his form of Saturday, while Applegath and Webster were only good in spots. Warwick was in on top of the net most of the time, but it was no task to get thru, for Aurora were very polite and opened up every time a Toronto rush came their way.

Toronto ran in three tallies in the first half, but it was the poorest brand of hockey the juniors have supplied this season. It was slam bang all the way and devoid of the first rudiments of the good passing game.

It was a slaughter after the rest, and four more were added by the Paddlers. The teams:

T.C.C. (7): Goal, Turner; defence, Mulvinill, Robertson; rover, Applegath; centre. Webster; right, Young; left, Warwick.

gong sounded half-time. Score, 6-5 for Victorias.

In the second half superior condition told. The home defence stayed strong and impregnable to the Brampton forwards—the strongest part of their team, Roberts, left wing for the latter, received a bad cut over the eye in a mixup, which bothered him. He played an excellent game thruout and started wost of the rushes for the Vic foal Clemmer, goalkeeper for the Victorias, got in ome good work during this half, stopping shots from outside the defence and from the sides, but McBurney, Bennett and McLean kept a clear space in front of the net. Goal by goal the score crept up. McBurney, taking the puck from the other end, carried it the length of the ice and scored close in, but most of the tallies durinf this half were made from melees in front of the Brampton net. Final score, 12-5. The line-up:
