

Rigby Porous Waterproof. Rigby Waterproof Clothing and Cloth.

The Goods you would choose to wear
made Waterproof.

The only reason you know that it is waterproof, is that
the water don't go through it.

It looks like an ordinary piece of tweed or cloth. It
feels the same as unproofed goods.

It is odorless and porous—does not confine the body
like a rubber-proofed garment.

It is sold in Men's Overcoats and Suits, Ladies' Cloaks
and Dresses, Golf Capes, Bicycle Suits, Coachmen's
Livery Overcoats, or in Tweeds, Melton's, Beavers,
Dress Goods, and in fact all Woollen Fabrics by
the yard.

Dry, Warm and Comfortable, permits free respiration
of the pores of the body and keeps out the wet.
