

Appendix
(D. D.)

7th May.

To prevent complaints and misunderstanding, and for the satisfactory discharge of the duties committed to them, the Council would, in the judgment of the Visitors, do well if they should carefully provide that not merely the manner in which the revenues and property shall be managed, but also the appropriation and use that shall be made of the revenues and property, shall as far as can be done be provided for by statute.

In speaking of King's College and of the conduct of its affairs as regards the care and disposition of its revenues and property, the Visitors have assumed, as the Provincial Legislature appears to have done, that the College Council, which includes the Chancellor and President, is the Governing Body of the Corporation, and that in fact it is the Council and not the Chancellor alone that represents the Corporation, as well for administrative purposes as in the exercise of the Legislative powers committed to it by the Charter.

This is not expressly stated in the Charter, but we have no doubt that it was so intended and has been always so understood, and that in the absence of any other provision, it results from the supreme or Legislative power being committed to the Council.
