### You Want an Absolutely Sure Investment

The investment that we have to offer you has passed beyond the experimental stage.

It is a copper refinery, refining copper equal in purity to the very best product on the market.

And the supervision of this refinery is looked after by our principals, Mr. L. Sapery and Mr. H. Sapery, owners of the Syracuse Smelting Works.

Men who have spent years in experimenting and perfecting new methods for refining metals.

And ours is the only copper refinery in Canada.

But you can participate in the profits from this refinery by buying shares in the Montreal Copper Co., Ltd.

They sell for \$100 each and last year yielded over 17 2-3 per cent.

This proposition is open to investigation at any time.

If you are in the city, telephone Main 1813, and we will make an appointment to meet you.

Or, write for our booklet—it contains interesting facts about copper.

### JUMPS 136 FEET; LIVES.

Attempt to Suicide From Brooklyn Bridge Probable Failure.

New York, April 11.—Nathan Isaacs, of 88 Livingston-street jumped from the middle of the Williamsburg bridge into the East River to-day and was promptly taken out of the water by the crew of a ferry boat. His clothing was torn to ribbons, his shoes were torn from his feet, and he was terribly bruised by the impact with the water. He was unconscious when rescued, but soon revived.

He made the flying leap of 136 feet from the rail of the bridge an hour when the morning rush of Brooklyn people to Manhattan was at its height. Isaacs struck the water in a crouching position and suffered a terrible shock. He remained under water for a long while and when he came to the surface was taken aboard the ferry boat. Immediately his face and almost his entire body became black and began to swell. He was unable to open his eyes, and was barely able to tell his name before he again became unconscious. He may recover.

### QUOTES ONTARIO'S REVENUE.

Congressman Sulzer's Impassioned Plea to Save the Falls.

Washington, April 11.—In the house to-day Representative Sulzer of New York made a strong plea for congressional action in putting a stop to the destruction of Niagara Falls.

He said that the preservation of the greatest picture in Nature's art gallery, Niagara Falls, was one of the serious matters before congress, but no action has been taken concerning the matter notwithstanding a number of bills were pending.

He said the Province of Ontario had granted a number of franchises to commercial interests in Ontario to use the power for the purpose of taking from Niagara River, and that the Province of Ontario was receiving \$300,000 in the way of taxes for these franchises. The State of New York, he said, had granted more franchises to take water from the Niagara River, and it was not receiving a dollar for the privilege.

"It is a sacrilege," Sulzer said, "to this generation, and an outrage on generations unborn to devastate this wonderful waterfall. We must protect Niagara Falls."
