

misery and agony of whose lives God alone knows, and from which God alone can deliver. Can we not even think of them? Can we not even pray for them?

Our contributions for the year amount to \$202.35. Last year we gave \$250.00; this decrease is explained by the fact that last year we received two life membership fees. Some of our members also contributed to the box of articles for our schools and hospital in India. The total value of our gift being about \$20.00.

In conclusion let us remember that the Saviour's last command "Go ye into all the world and preach the gospel to every creature" was accompanied by a promise "Lo, I am with you." The fulfilment of the promise to us is dependent on our keeping the command. Failing in obedience we lose the reward. "Ask of Me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession."

Amount collected, \$202.35.

REPORT OF Young People's Soc'y of Christian Endeavor.

We commence the year 1893 with a total membership of 58, consisting of 37 active members and 21 associate members. Throughout the year we have tried to prove ourselves worthy of the name of Christian Endeavorers by *endeavoring* to promote the Master's cause as we had opportunity, and although we may not have succeeded in doing all that we would like to have done, we feel encouraged as we remember that our Master judges our work by the motives governing its performance.

Prayer-meetings have been held regularly every Monday evening during the year, and through the different committees fields of usefulness have been opened up for the members of the Society.
