

SIR CHARLES TUPPER

He Talks on the Political Situation WITH NO UNCERTAIN SOUND.

Montreal, Feb. 29.—Sir Charles Tupper, Bart., was very busy this morning, but he spared time to say a few words concerning the political situation. He said:

"There are nothing but rumors going round these days, but you must not stop to be troubled by them. I know of no changes in the leadership of the party, but I may say that we are now united, and that there is not the slightest doubt that when the Bill will be passed, although in view of the fact that Mr. Laurier has consented to the carrying on of the debate it will be brought on very soon."

"I am very glad indeed that you speak that question," replied Sir Charles, "for I desire to say that under no circumstances whatever will I ever return to England as High Commissioner."
