The usual annual entertainment for the children was held on Good Friday, when a good sum was realized over and above the expenses.

At present the Librarians are calling in all the books out of the library, which it is the intention to entirely remodel, and it is hoped the School will take advantage of the increased facilities offered in this respect.

In concluding we desire to express the thanks of the School to the congregation for their liberal grant to meet the running expenses of the School; to the Church Organist, Mr. W. C. Barron, and the choir for many favors during the year.
