

THE EVENING TIMES AND STAR, ST. JOHN, N. B., FRIDAY, OCTOBER 8, 1915

THE BALKAN STORM CENTRE

SHOULD BE CROWDED

There will be a recruiting meeting to-night in the Boy's Club Hall, corner Union and Bruns streets, at which there will be musical attractions as well as stirring addresses.

Sunday evening the Imperial Theatre will be devoted to another patriotic rally at which Hon. J. G. Forbes will preside. The speaker will be the Rev. (Capt.) Thomas Harrison, whose addresses have been creating quite as much stir and enthusiasm as the memorable speeches of Serjeant Knight. Chaplain Harrison, of the 64th, is an old countryman and a former soldier in the British army. The information that he imparts therefore comes first hand and from experience. He believes that soldiering in the British cause at the present juncture is truly the ideal work for the right thinking man. The chaplain will therefore be worth hearing.

CUMBERLAND SENDS

MORE THAN 1,100

Between Saturday and yesterday thirty-seven men enlisted in Amherst for the 88th Battalion. The names of some of the most prominent young men in the town are in the list. The Amherst News says:

"When orders were issued for the organization of the 88th regiment it was felt that if Cumberland, which had already furnished over a thousand men for the different contingents, would raise one platoon of about sixty men that it would be contributing its share in this regiment. Recruiting only started a little over a week ago and last night Major Fillmore informed us that not one but two platoons had been recruited and that volunteers were coming forward daily in increasing numbers. In ten days 108 men have been enrolled for the 88th regiment and the wave of enthusiasm has not yet reached its height. The total number of volunteers from Cumberland now exceeds eleven hundred men. In other words a full regiment has been recruited from a county containing a population of forty thousand. It is a fair estimate to say that twenty per cent of the men available for military service in this county have enrolled themselves under the flag. It were any county in the Dominion that can beat this record?"

TWO BIG SUBMARINES.

Bids Soon to Be Asked for 25-Knot Crafts, Larger Than Schley, for U. S. Navy.

Washington, Oct. 8.—Bids for two big sea-going submarines authorized by the last congress will be called for next month by the Navy Department. The specifications will provide for steam turbines to develop a surface speed of twenty-five knots an hour.

Navy officials have no hope that oil or gasoline engines capable of furnishing the necessary 1000 horsepower can be obtained at the present stage of development of internal combustion engines.

It was learned here that the first choice in propulsion machinery, therefore, would be steam, although if any bidder submits his figures on the basis of an oil engine fully guaranteed to produce

results, they will be given consideration. The new vessels will be several hundred tons larger than the Schley, now building, which will register 1,000 tons displacement submerged, or twice the tonnage of any submarine now in commission.

The act of congress provides for two boats "to have a surface speed of twenty-five knots or more if possible, but not less than twenty knots, to cost exclusive of armor and armament not exceeding \$1,200,000 each."

The sea-going submarines will be a part of the fleet and accompany the battleships on all cruises.

"URGE BRITAIN TO STRIKE"

St. John, N. B., Sept. 8, 1915.

To the Editor of the Times: Sir—In your issue of yesterday under the above heading you called attention to an editorial in the London Morning Post pointing out the clemency and high mindedness of Great Britain in her dealings with this great world war. I agree heartily with the Morning Post. This war will be overcome one way or the other by force, high mindedness does not count with our foes. In a measure, just as important Great Britain is also too high minded in her methods of providing for the sinews of war. Bring this matter nearer home to St. John.

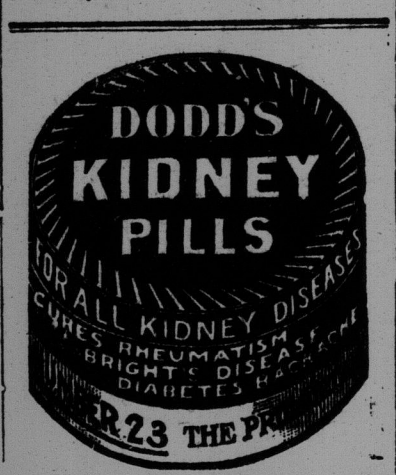

I am a man of years, with many near relatives fighting for our king and country. At recruiting meetings in this city one cannot but notice the high mindedness displayed by those recruiting, but what of the results, thousands of younger men of military age ignore the appeals. Here we want force and it would be much fairer to those who have already answered the call for protection of home and country.

Apply more force also to the raising of funds and make all who can contribute do so. It would be fairer to those who contribute freely. Our methods of making a great fuss and publicity over the collection of funds which a great number of people seem to look upon as an opportunity for "a good time," is not high mindedness. Why do we not get seriously to work and apply the force, proportionately. Selfishness needs it, shirkers need it, fairness and justice demand it.

Yours truly,

BRITISHER.

BATHURST WATER WORKS
A. R. C. Clark & Son, the contractors for installing water and sewerage in Bathurst, are making great progress. All the deep cutting is completed, and they are now pushing forward very rapidly with the digging of the simpler sections of the system.

Ready's Lager Beer

Order a case or barrel of this popular beverage from your dealer or direct from the Brewery.

Out On The Road

Call for READY'S LAGER BEER. You'll find it at all the better places. People of good taste demand READY'S.

When You Lunch

RECENT WEDDINGS
A wedding of much interest took place last night, at 24 Seely street when Rev. Wellington Camp, pastor of Leinster street United Baptist church united in marriage Thomas Morton Davidson of this city and Miss Rebecca Brown, daughter of the late Joseph Brown of St. Martins. They were unattended. The bride was becomingly gowned in a suit of grey broadcloth satin and carried a bouquet of bridal roses. After a short honeymoon trip they will make their home at 24 Seely street. Many beautiful

German Threat to Press Poles Into Fighting Russia

London, Oct. 8.—In a despatch from Petrograd Reuters correspondent says: "Polish refugees arriving here state that German officials declare that Poland will be surrounded by a triple line of trenches and barbed wire entanglements, and that the Russians will be quite unable to dislodge them, for if there is a shortage of men they will arm the entire masculine population of Poland and force them to fight the Russians."

RECENT DEATHS

Mrs. Henry White passed away at her home at Morrison's Mills on Wednesday night after a short illness. She was sixty-three years of age and is survived by her husband and two sons, Charles B. of Sunbury County, and Walter at home, and one daughter, Amy B. at home. There is also an adopted daughter.

Mrs. Emily M. Boyd, wife of George Boyd, of Nashua, N.H., died on Wednesday. She had been ill for some time with cancer. Mrs. Boyd was forty-three years of age and is survived by her husband, four sons, Henry, Maurice, Rexie and George, and one daughter, Miss Agatha, all at home.

The death of W. Hazen Ogden occurred at his residence in Seelyville on Saturday morning. He was seventy-seven years of age and is survived by one sister, Christina T., and three brothers, Alfred, Edward and Willard P., all of Seelyville.

On Wednesday morning James Mowat, of Chatham, died. He was eighty-two years of age and is survived by his wife and family of four sons and three daughters. With the late William Lawlor, of Chatham, he constructed the lighthouse on Grenley Island, Belleisle Strait, and since then has erected such structures as the brick school, now the armory, the pumping station, and the Adams House.

SHOOK FACTORY BURNED.
The shook factory of Captain E. E. Wood, of Bellefleur, was burned to the ground Tuesday night together with about five hundred dollars' worth of shocks. When discovered the fire had made great headway and nothing could be done to save the building which was soon in ashes. Capt. Wood had a well equipped factory, the machinery being adequate and up-to-date. Some of the machinery was ruined by the fire, while part can be repaired. There was no insurance and the loss will probably amount to \$1,500 or perhaps more.

TO SOLEMNIZE MARRIAGE.
Rev. J. Hugh McLean of Chatham, has been registered to solemnize marriage.

The case of Frank P. Doody vs. J. C. MacIntosh & Co. was set aside yesterday until the next session of the chancery court. M. G. Teed appeared for the defendant company and D. Mullin for the plaintiff.

A valuable English bull dog "Duchess," owned by Mrs. George E. Crookes, was run over by an automobile yesterday and killed.
