HON. J. P. BYRNE SWORN IN JUDGE

New Justice is Heartily Congratulated at Ceremony in City Today.

Hon. J. P. Byrne, former Attorney-General of New Brunswick, was sworn in as judge of the King's Bench Division, Supreme Court of New Brunswick, by Sir J. Douglas Hazen, Chief Justice of New Brunswick, in the Equity Court room here this morning in the presence of members of the bench and bar. Following the formal ceremony, the new judge was congratulated by Sir Douglas Hazen, Mr. Justice White, in whose office he studied law, Mr. Justice Grimmer and others. Judge H. O. McInerney, president of the St. John Law Society, voiced the congratulations of the local society which J. P. Byrne, K. C., a classmate of the class of 1899, extended felicitations. Mr. Justice Byrne tearfully replied. Following the reading of the warrant signed by the deputy governor-general and the secretary of state, Sir Douglas administered the oath of office, Mr. Justice Grimmer holding the Bible. Then followed the oath of allegiance after which the judges heartily shook hands with their new confrere. Mr. Justice Byrne will hold chambers here tomorrow and on Friday and will hold his first court in St. John on Nov. 25.

From Law Society.

As president of the St. John Law Society, Judge McInerney asked that he be permitted to extend felicitations and greetings to Hon. Mr. Byrne who had been called to the high office of judge of the Supreme Court and to whom the solemn oath of office had just been administered. Mr. Justice Byrne's tenure of office as Attorney-General had been marked, he said, by judicial zeal that had characterized the tenures of that office by Sir J. Douglas Hazen, Mr. Justice White and Mr. Justice Grimmer. The members of the local law society, His Honor declared, were satisfied that Mr. Justice Byrne would acquit himself in the discharge of his duties with fairness, courtesy, skill and despatch.

The New Judge.

In opening his brief address, Mr. Justice Byrne asked that all accept his sincere thanks for the many kind words addressed to him, particularly by Judge McInerney, on his elevation to the Supreme Court bench of the province. "It is realized by me," he said, "that the oath of office entails many duties and responsibilities but the act of the members of the St. John Law Society through its president assures me that in the discharge and execution of those duties, I will have the co-operation and goodwill of the members of the St. John society."

He said he did not think it amiss for him to make reference to the valuable assistance rendered him throughout his career by Mr. Justice White. He publicly acknowledged this. It was a pleasure also to express publicly his appreciation of the consideration shown him by Sir Douglas Hazen and other members of the bench. Concluding, he repeated his deep and sincere thanks.

From Classmates.

J. King Kelley, K. C., congratulated the new judge on behalf of his 1899 classmates. No longer was he "Jim" Byrne. He was now Mr. Justice Byrne, a judge of the Supreme Court. He thought it a mark of sadness in one respect that from now on Mr. Justice Byrne must sever all his former connections, he said. Mr. Kelley alluded to the severity of life of the judges but expressed the hope that the new judge would live long and be of value to this province, as they felt sure he would be.

Among those present were J. A. Sinclair, Hon. R. J. H. Christie, D. King Hazen, E. J. Henneberry, James B. Dever, T. P. Regan, K. C., Arthur Anglin, Kenneth MacLaughlin, W. M. Ryan, Frank Frawley, K. J. MacRae, J. Roy Kelley, H. A. Porter, J. Starr Tait, and others.

SAYS GOOD ROADS MAKE FOR UNITY

T. P. Regan Speaks in Montreal on Highway System Development.

An improvement in the feelings between the maritime provinces and development of Canada through the development and improvement of the road system joining them, was predicted by T. P. Regan of St. John, president of the N. B. Automobile Association, speaking on Saturday evening at a dinner given in the Windsor Hotel, Montreal, to mark the linking of Ottawa and Montreal through an improved highway.

The dinner was given by the president and directors of the Royal Automobile Club of Canada to the Mayor of Ottawa, the president of the Board of Trade, the president and officers of the Ottawa Automobile Club and other prominent citizens of the two provinces. The importance of this route and of the extension of good highways linking Ontario with Quebec and with the maritime provinces was heralded by the speakers as one of the principal factors in the progress of Canada, it being asserted that with increased facilities for interprovincial communication the possibilities of misunderstanding would disappear and the people of the provinces would better appreciate each other.

Mr. Regan dwelt on the development of the maritime provinces and of the spreading of knowledge of its attractions through the construction of improved highways, remarking that it was due to lack of knowledge of the maritime provinces by other parts of Canada that had caused the feeling that the maritimes were not being fairly treated as an integral part of the Dominion. With the provision of connecting links between Ontario, Quebec and the Provinces of New Brunswick and Nova Scotia, as well as Prince Edward Island, he felt sure that the motorists who were the apostles of good fellowship and understanding, would quickly dispel any such feeling and would back up the desires of those in the maritime provinces for a fair share of the co-operation which was essential to the prosperity of Canada as a whole. There had not been the communication and contact with other parts of the Dominion that there should have been in the past and he looked for a great improvement in the relations between the east, centre and west of Canada as a result of the provision of good highways and easy facilities for intercourse.

SCOUTS AT GLEN FALLS BEGIN ACTIVE WORK

The first scout meeting of the new Boy Scout troop at Glen Falls took place last evening, when Field Commissioner H. Lister visited the troop and started them on scouting. Mr. Lister spent the evening demonstrating knot-tying, scouting games, and other interesting features. The officer's promise was taken by Scoutmaster Arthur A. Callahan and Scoutmaster Percy Williams. Two patrols of six each were formed and the prospects are good for the formation of two more patrols very soon. It is planned to organize a Wolf Cub pack with a very short time. This will look after the boys from eight to 12 years. The outlook for scouting in Glen Falls is very bright, and the boys are real keen for it. The members of the troop committee, A. Boyles, M. Callahan and G. H. Simpson were present. Scoutmaster E. Boyner, Young Judeans Troop No. 12 was also present. Several of the adults from the neighborhood attended and were greatly interested in the proceedings.

FURTHER NEWS OF COLLISION COMES

Further details of the collision between the schooner Burpee L. Tucker, which left St. John on Monday morning for Parrsboro, and the schooner Victory Chime, near Spencer's Island on Monday afternoon, are furnished by Baxter McLellan, shipping master at the island. Mr. McLellan reports that the Tucker arrived off the island about 8 o'clock. The other schooner had been anchored there for several days but about this time the Victory Chime got under way and sailed about one mile to the north with the flood tide and anchored there. It commenced to snow hard about this time. Mr. McLellan passed close to the Burpee L. Tucker on his way out to the barge William Fancher. The Victory Chime then started to drag her anchor and struck the Burpee L. Tucker. Mr. McLellan went to the two vessels and took a line from the Victory. The tide was running quite strong and a heavy squall struck the schooners and for a time it was feared they would go ashore. They managed to get the Victory swung around until the tide struck her starboard side and then she was pulled clear. The jibboom of the Tucker broke at the cap while the taffrail of the Victory was badly damaged. Fortunately, no one was hurt.

FORFEITED \$.

One man arrested yesterday on a charge of drunkenness was allowed out on a deposit of \$8, which was forfeited by his failure to appear before Magistrate Henderson in the police court this morning.
