

## RECONSTRUCTION OF PALESTINE

Jews Raising Fund of \$125,000,000 to Provide for Development.

London, Jan. 6.—(Associated Press.)—Jews throughout the world were asked to consent to a form of self-taxation by tithes in the manifesto recently issued by the Palestine Foundation Fund, asking for \$125,000,000 for the development of the country. The manifesto was signed by a number of distinguished Jews, including Lord Rothschild, Sir Alfred Mond and Dr. Chaim Weizmann.

The manifesto outlines a big program of irrigation, drainage, forestry, roadmaking, bridge building and town planning which it says can be accomplished if the Jews of the world will tax themselves to produce the fund desired.

It adds that the purpose of the promoters is to enable immigration into Palestine to begin without delay and to provide for the economic development of the country. Thousands are waiting on the threshold of Palestine, it asserts.

## WHERE WOMEN TAKE INITIATIVE IN MARRIAGE

Every Year a Leap Year in Assam—Bridegroom, Kidnapped, Has No Redress.

New York, Jan. 21.—(A. P. by Mail.)—Every year a leap year among the Garo women in Assam writes a missionary to the American Baptist Foreign Mission Society.

"Among those who have not been Christianized the bride takes the initiative in marriage," he says. "She goes to fetch the bridegroom, and it is etiquette for him to hide and resist until victoriously carried off. Occasionally, a man may get his wife by capture, but usually it is the woman who kidnaps him that is to say, her male friends do it for her. One may still see such press-gangs bringing home their spoil."

"In the early years, the missionaries were inclined to rush to the rescue, thinking that violence was being committed, such is the noise made by the

## Whatever You Do Don't Neglect Your Eyes, Says Dr. Lewis, Who Tells How to Strengthen Eyesight

Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. He says neglect causes more eye troubles and poor sight than any other one thing. Many whose eyes were failing say they had their eyes restored through the Bon-Opto principle. One man says after trying it "I was almost blind; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Go to any active drug store and get a bottle of Bon-Opto-tablets. Drop one Bon-Opto tablet in a fourth of a glass

## Don't Use Drugs for Constipation

Bathe Internally—the One Natural Way.

Did you ever know of any person who was permanently cured of constipation by taking drugs of any kind? Drugs simply force Nature, and larger doses are required from time to time until the trouble becomes chronic.

Internal Bathing with the J. B. L. Cascade is the only permanent relief from Constipation. It keeps the Colon, or large lower intestine, free from all accumulation. Soon the system performs its regular functions, and there is no further trouble.

Mr. F. Babin, Proprietor Alexandria Hotel, Ottawa, writes: "The J. B. L. Cascade has made a new man of me. I would not sell it for all the money in this world if it could not get another. Through my recommendation I know of a number of my friends who have been using it with the same satisfaction. For people troubled with Constipation, I say it is a godsend, and can heartily recommend it."

The J. B. L. Cascade is the only perfect appliance for Internal Bathing ever devised. It is endorsed by over half a million enthusiastic users. Ask to have it explained to you at Clinton E. Brown's and P. W. Munro's, Druggists, St. John, New Brunswick, or write for booklet to Tyrrell's Hygienic Institute, 168 College St., Toronto.

## SPAIN'S SERVANT GIRL PROBLEM

Demand for \$5 to \$10 a Month—Custom Much Different on This Side of Ocean.

Madrid, Jan. 4.—(A. P. by Mail.)—Americans accustomed to paying their ordinary "hired girls" \$50 or more a month for general housework will be interested to learn that Spanish servants are forming a labor organization to enforce a demand for an increase that will bring their wages up to the equivalent of \$5 or even \$10 a month.

Cooks, parlormaid, kitchenmaids, wet nurses, and general help have united in a movement not only for higher wages but an eight hour day. This may look ridiculous in America but it is serious business for the Spaniards. They are accustomed to paying their hired girls the equivalent normally of about \$4 a month and requiring them to be on duty from early in the morning to late at night, or even until 1 o'clock the following morning.

The servant girls of Spain usually are allowed a half day of rest each week. The eight-hour day proposal hits the householders hardest. One newspaper satirically asks: "How will baby get on if the wet nurse declines to perform her duties for more than eight hours a day?"

## KING PREACHES PUNCTUALITY.

London, Jan. 6.—(A. P. by Mail.)—King Haakon of Norway, who arrived in England recently with Prince Olaf, for a visit to Sandringham, is a stickler for punctuality.

While aboard the steamer Rollo, Prince Olaf appeared at the breakfast table ten minutes late. After the meal he was told by the king that he must stay in his room for an hour as punishment, says the Daily News correspondent.

## CURED HIS PILES

Now 85 Years Old but Works at Trade of Blacksmith and Feels Younger Since Piles are Gone.

The oldest active blacksmith in Michigan is still pounding his anvil in the town of Homer—thanks to my internal method for treating piles.

Mr. Jacob Lyon, Homer, Mich.

I wish that you could hear him tell of his many experiences with ointments, salves, dilators, etc., before he tried my method. Here is a letter just received from him:

Mr. E. R. Page, Marshall, Mich.  
Dear Sir: I want you to know what your treatment has done for me. I had suffered with piles for many years and used suppositories and all kinds of treatments, but never got relief until I tried yours. Am now completely cured. Although I am 85 years old, and the oldest active blacksmith in Michigan, I feel years younger since the piles have left me. I will surely recommend it to all I know who suffer this way. You can use my letter any way you wish and I hope it will lead others to try this wonderful remedy.

Yours truly,  
J. L. LYON.

## CUT IN WAGES BY CANADA COTTONS

(St. Croix Courier.)  
Canadian Cottons, Ltd., with mills at Hamilton, Cornwall, Marysville, St. John and Milltown, N. B., giving employment to some thousands of workers, have, during the past few days, advised all employees that, beginning Monday, January 24th, a wage reduction of about 12½ per cent. will go into effect.

The local management claim that they have delayed taking action along these lines just as long as it was possible for them to do so. During the last few weeks, however, in order to prevent the wholesale cancellation of orders, they were forced, they say, to accept a reduction of nearly 30 per cent. on all goods for delivery later than January 1st. These orders, of course, were entered some time ago at the higher rate. Orders for new business, they say, are now being taken at an even greater reduction.

By accepting these discounts, the management believe that it will be possible to keep the Milltown plant, which, fortunately, is equipped for special work, running on full time. All the other mills owned by the Canadian Cottons Ltd., are, at present, operating on the three to five days' schedule.

It is the company's desire, they say, to accept their share of the losses caused by the sudden drop in prices, and to do everything in their power to keep the local plants going, and to maintain a full time schedule for all employees.

## LOCAL NEWS

Mrs. W. W. White has received from the DeMonto Chapter, I. O. D. E., a check for \$175 to pay for one furnished room in the nurses' new home.

Mr. and Mrs. George Carvill have announced the engagement of their daughter, Margaret Lucinda, to Engr. Lieut. Commander Charles Grigg Parkyn, R.N.R. (ret.) of Saskatoon, second son of the late John Parkyn, Esquire, of Hildan Hall, Monmouthshire (Eng.). The marriage will take place early in the month of February.

The fund for the starving children in Europe which is being collected by the provincial Red Cross Society is gradually increasing. The latest donation is a specially generous one. It amounts to \$73 and, being the second contribution from Butternut Ridge, brings the subscription to \$1,507 feet, made up of five logs as follows, 422, 444, 397, 150, 64. The sealing was done by John Farrer, of Campbellton, and James Conwell, of St. John. It was yarded by one horse, which in itself was quite a feat.

Of much interest to friends in St. John will be the announcement of the engagement of Mrs. Geoffrey Wheelock, now in Shanghai, China, to Mr. Dalgleish, also a resident of Shanghai. Mrs. Wheelock's marriage is to take place on February 8 and at the end of March, with her future husband, she will leave to visit Mr. Dalgleish's mother in England and later, sometime in the early summer, they will arrive in St. John to visit Judge and Mrs. Grimmer.

The High-Y club of the Y. M. C. A. had a grand and glorious party last night. Lily Lake was the scene of the first of the evening's events and the fifty members of the party had a splendid time skating or tobogganing. They returned to the Y. M. C. A. building for refreshments were served. Mr. and Mrs. Nelson McEwen were the chairmen and the committee in charge of the arrangements for the party was as follows: William Curran, Jarvis Wilson and Ronald Smith.
