### \$10,750 FOR EGG SHOWER.

Mississippi Jury Awards it to Labor Leader Driven From Town.  
Sumrall, Miss., Feb. 10.—A rotten egg shower is worth \$10,750 to the man showered, in the opinion of a jury here. They returned a verdict for that amount in favor of Charles H. Francis, former Vice President of the Mississippi Federation of Labor, who was bombed with rotten eggs and other missiles last August as he was forced to leave town after trying to organize a union among negro employees of the J. J. Newman Lumber Company.  
The jury held the company blameless, but its three Superintendents, Thomas Ballard and Lott, responsible and levied the penalty against them.

### CROWN NEED NOT PROVE WHEREABOUTS OF LIQUOR

Bridgeport (Feb. 10)—That it is unnecessary for the Crown under the Ontario Temperance Act to prove the whereabouts of liquor that has been imported, or that an illegal sale has actually been consummated, but on the other hand that failure to produce liquor which has been received constitutes a violation of the O. T. A., was proven in the local court here when Magistrate Memo House fined Henry Saylor of Wiltoughby \$200 and costs.  
Officer Burnett of the Ontario police upon consulting the records found that Saylor had received two cases of whiskey. The whiskey could not be produced when a check-up was made, Saylor declared that he had not illegally sold these contents, but his inability to explain their absence resulted in his being found guilty.

### FOR ENFORCEMENT.

Washington, Feb. 10.—Enforcement of prohibition is a simple matter, says the Board of Temperance, Prohibition and Public Morals of the Methodist Episcopal Church. "Put none but prohibitionists at work enforcing the Volstead act; appoint no judge who is not for prohibition; no federal attorney who is not in favor of 'no booze' and put on juries none but those who believe in the strict enforcement of the law," says a report just rendered.

### OUT OF WORK, HE WRECKS MACHINES

Gloversville, N. Y., Feb. 10.—Out of work since Thanksgiving day, Joseph H. Farrington, of Northville, near here, borrowed a rifle from a neighbor under pretence of going hunting, but instead went to the plant of the Johnson Textile Company where he formerly was employed, drove all of the employees into a corner at the point of the rifle and then, seizing a sledge hammer, proceeded to demolish the silk weaving machines. He caused damage estimated at \$8,000, and then went home where he defied arrest until a sheriff arrived. It is believed the long period of unemployment preyed upon his mind until he became mentally unbalanced.

### AN ENDLESS CHAIN

Here is the endless chain of recommendations for Lydia E. Pinkham's Vegetable Compound. There is hardly a town or village in the United States from which women have not written letters telling of health restored by Lydia E. Pinkham's Vegetable Compound. If you are suffering from some female trouble, ask your neighbor if she has ever used Lydia E. Pinkham's Vegetable Compound. In many cases you will find she has regained health by its use and will recommend it to you.

### BEAR KILLS LION.

Berlin, Feb. 10.—A fight between a lion and a bear took place during an afternoon performance of a circus. The animals could not be separated until the firemen of the circus brought a heavy hose to bear on them. The bear went through his tricks afterward as if nothing had happened. The lion, however, was so badly mauled that it died.
