Paging Was New One for Her.

The assistant manager of one of our popular hotels asked a country visitor—who was seeing hotel life for the first time from the mezzanine floor—how she liked it.
"Wal, it's purty nice. But I didn't know you women were so connected."
"Connected?" gasped the A. M. "Why some of the finest women in the country are staying here."
"Wal, may be they are. But I don't like a woman that sends a little boy around to tell folks she's missed her car," replied the country dame.
"Impossible!" said the A. M. "Why, I never heard of such a thing."
"Wal, you'll hear it now, for here comes that pore little feller again."
And down in the lobby came a page boy calling:
"Mrs. De Vere—Mr. Carr—Mrs. De Vere—Mr. Carr"—A. L. M.
