PORT NEWS OF A DAY, HOME AND ABROAD

WILING
A Fine Bowler.
A large crowd was attracted to Black's ring alley last night to see the match between Archie Walsh, the former North boy, who has established quite a name for himself throughout the New England in professional bowling, and C. L. Wilson, one of the best local amateurs in Canada. Wilson started out with a lead of fifty pins to the good and even he fell behind in the ten string contest. Following are the scores:
Walsh—82, 90, 105, 115, 100, 92, 85, 90, 81, 81.
Wilson—74, 87, 80, 107, 88, 80, 92, 81, 84, 84.
Walsh, by his man by sixty-seven points, expects to do even better tonight, he meets Thomas Cogrove under the conditions. Last night he made some bad breaks, but he managed to get of them all right. In one string he edged in making 94 without having any as or spares.
Walsh challenges any local bowler to a 12 of ten string and he will give 30 s of a handicap.

Mrs. Tyler, it is understood, became acquainted with her husband while he was a member of the ball team here. She is a very attractive young woman and has a lot of friends. The bride was a member of the Lowell Athletic Club, made many friends.

Throppe is under contract with the Fayetteville, N. C. club and it will be necessary to negotiate for his release through the owner of that club. President Jones received this information in a telegram from Secretary Farrell, of the National Association. In 1910 Throppe signed a contract with the Rocky Mountain, N. C. Club at \$125 a month, later he was transferred to Fayetteville and received by that club.

RAILWAY COMMISSION DECISION.
Decisions have been handed down by the Dominion railroad commission in connection with two cases which were before the commission in St. John last May. The applications were those of the Montreal board of trade, which asked that the C. P. R. be directed to apply the same mileage base as in effect in Ontario and Quebec to cars shipped to New Brunswick points, and that the rate on ex-lake corn from the Georgian Bay ports to Montreal be on the same basis as on ex-lake wheat, barley and oats. The commission decided that the rate to New Brunswick points should not be disturbed and it was decided that the rate on ex-lake corn should be the same as other grains.

DEALT WITH SCOTTISH HEROES.
The Reading Circle of Queen Square Methodist church met last evening at the home of Frederick Bizard, Scottish Heroes was the subject before the meeting and was under the direction of Miss Louise Lingley, who was assisted by her members of the circle. There were Scottish songs by Miss Beaton of Montreal and Mrs. E. T. Worden. Miss Ada Thompson gave selections on the piano. Refreshments were served during the evening by the ladies.

F. HARRINGTON FOR LYNN; SOME TALK ABOUT HIM

A Lynn, Mass., paper has the following: "There will be a Harrington on the Lynn baseball team next season. 'Billy' has left Lynn for good, and it is believed that he will make good in the new league to which he has been assigned. He will be replaced by a young fellow named Frank, who is a student, and who expects to close his college career this season. Although the boys are brothers there is no resemblance between them. Billy was always nervous, and when going right had a swing and bill to his work that showed temperance. Frank is quite the contrary. He uses a light handed delivery, and is deliberate and cool under fire, and carries through a long swing much like the big leaguers. He is husky and strong, and can hit ten cents where necessary, or make the gentle tag that baffles him from the scenery for the good of the team. The acquisition of Harrington means a good deal to the team. He is not only a strengthener in a department where it is always needed, but he is a complete asset to the team. The only drawback is that he will not be with the team except afternoons until the college season has closed.
"If Harrington should make good, and there is every probability that he will, he will be the third twirler that has come from Wakefield to Lynn, which appears to be a fertile field for Lynn development. Nuke Abbott and Billy Harrington both came from there, and other players developed with the strong swing team of that town.
"Very Rev. Fr. T. Wade Smith, O.M.L., provincial of the Oblate order in the northern part of the United States, performed the ceremony. The bride was attended by her cousin, Miss Margaret I. Robare, a bridemaid, and Fred H. Tyler, a brother of the bridegroom, was best man.

Had Pimples on Face And Back Was Literally Covered With Them.

Bad blood is the direct cause of pimples breaking out on the face and body, and it is impossible to get rid of them unless you cleanse the blood of all its impurities. Burdock Blood Bitters is without a doubt, the very best medicine for this purpose.
This old and reliable remedy has been used for over thirty-five years, and has a reputation unequalled by any other for purifying the blood.
Mr. Peter La Pierre, Assistant Postmaster, Touchwood Hills, Sask., writes: "The fall before last, I was very much troubled with pimples on my face and back. My back was literally covered with them, and I could not lie on it at night, they were so painful. One day my sister advised me to use Burdock Blood Bitters, so I got two bottles, and before I had taken all the first one, the pimples had nearly disappeared, and now I am completely cured."

NEW LIKENESS OF KAISER FOR NEW PRUSSIAN COINS

Berlin, Jan. 31.—The Kaiser has consented to have a new likeness of himself made for the Prussian coins. This will be the first change made during his reign. The face which has appeared on the Prussian coins for the last twenty-five years shown the Kaiser as he was when he ascended the throne, with the sharply upturned moustache which he made famous. He has now approved of a likeness which reveals him at middle life, but the style will be kept secret until the appearance of the new coins after His Majesty's silver jubilee in June.
"Saw Him, Too—'I Miss Brown in' Maid—'No, Professor.'" "But I just saw her at the window." "Yes, and she saw you."

GREAT ITALIAN LOTTERY DRAWN

Rome, Jan. 31.—The drawing for the \$500,000 prize in the exhibition lottery, which is probably the last lottery authorized by the Italian government, took place in the Argentine Theatre here. It was performed in the presence of the mayor, the minister of finance, members of the municipality and the exhibition committee, and an enormous crowd, which included 1,000 English and American visitors.
A large proportion of the tourists visiting Italy during the last three years, had purchased tickets in this lottery; consequently the interest in the drawing assumed an international character. The lucky number was 2,984,898.
The extraction of the tickets from two urns was carried on by two blindfolded orphans, picked haphazard from the municipal orphanage. Orfeo Cirillo, one of the orphans, was greatly excited by his part in the proceedings. He cried pathetically, "if no one else remembers my name, the winner will not forget me!" Several thousand tickets in this lottery were lost in the Titanic. They had been purchased by Italian living in America.
