LOCAL SANITARIUM.

several institutions in New York City, at that she comes here eminently qualified to fill the important position to which she in wool and mutton that been appointed. The Ingersoll Sani. the cheese business. arium will be ready to reseive patients next

CANADIAN CHEESE.

Mr. J.A. Ruddisk Addresses the Dairyma Board of Trade on the Subject of Im-proving the Condition of Our Chrese —He Tells what the Dairy Com-missioner is Doing Along these Lines.

At the conclusion of the Ingersoll shees market on Tuesday afternoon, those present had the pleasure of listening to an interest has lately arrived from New Zealand to

Mr. Raidick said he came here at the of the present Lieutenant-Governor of Ontario, to the modest and yet ambitious
county seat. We have to depend very
largely on the press of said town for information as the extraordinary rush for scate
precludes the possibility of free tickets to
outside journalists, for the present, but we
pattern with a viewto-improving the facilities
on the O | Country market. For some time
outside journalists, for the present, but we
pat complaints have been heard of the
condition of the chases and the claves in or we
provided the chase of the chases. onested journaments, for the present, but we lookerfully reproduce for the benefit of our condition of the cheese, and the slovenly appearance of the boxes, the latter arriving in the rehearsal. The public, of course, would not be admitted, and as a consequence the attendance was small, in fact only nine performers in all, but it would be a difficult tanking the state of affairs is that the material is coarse and it is therefore impossible to make as good an article. to secure a company possessing so much downright humor and varied talents con. it is because the prices are serewed down so it is because the prices are screwed down so close. Whatever the cause the cheese is

well as the county seat.

Pres.—Know you, kind gentlemen, all, as of inferior quality, that it is taken for and those of my northern friends who are granted by some that is impossible to proabsent can consult the press for my weeds.

Not one foot west of the Anderson factory shall the location be; it were monatrous to shall the location be; it were monatrous to shink the good citizens of our councy town, which means the north riding, should be precised by our deprived of the blessings promised by our later epresentative. Although it be no, written in the bond, we can make a new one-one to answer the circumstances, and to slogget, and sloggets, please all good and lovel.

Efforts were being made by the depart

burghers that the place of instruction for this would not be important. The shipping burghers that the piace of instruction for this would not be important.

Mrs. A. W. Kalle and daughters of introduce onto are the guest of Mr. and Mrs. E. should be located in our electoral boundaries, which does not be policied.

Booth for a few days. and that the western medicine man, who ministers to minds diseased, and tries to represent the southern portion of our county, which would greatly improve that no our preserves. To get at the cause of the condimatters. To get at the cause of the condi-tions complained of Mr. Ruddick said it Is it not so, my comrades in distres? And answers such as "correct" "you bet" 'encore' was proposed to have inspectors at Montreal to take note of the condition of the cheese and H. Rowland are in London attendings of our own and highly prized member on every important occasion, and did we not acknowledge to ourselves the justness of our cause? And furthermore, the folly and wickedness of listening to the claims ofform the county. Have we not all we ever asked for in the way of county buildings, court of the county and we way of county buildings, court of the county and we way of county buildings, court of the condition of the cheese upon its arrival there. Comparisons of the county, the way of county buildings, court of the position Canadian three o'clock.

Mrs. J. B. Henderson, of Orillia, and Miss the way of county buildings, court of Jother ridings or portions of the county. We are proud of the position Canadian the way of county buildings, court house, gaol, poor bouse and hospital, for which the barbarians of Southern Oxford can with their means support and admire, and their cheese sold in the way of county the boundary of the position Canadian at three o'clock.

Wheel.

We are proud of the position Canadian the county of the county. We are proud of the position Canadian of the county of the position Canadian of the position Canadian of the county. We are proud of the position Canadian of the county of the county of the position Canadian of the position Canadian of the position Canadian of the position Canadian of the county of the county of the position Canadian of the position Canadi again the casing and packing was better.

As far as he was able he would be glad to facilitate business and bring about a better condition of affairs here. He also intimated D. D. G. M., Bro. A. J. Watford, and staff, of Woodstock, will install the officers of Samaritan Lodge, No. 35, I. O. O. F., to-morrow night. A full attendance of memorrow night. A full attendance of memorrow night.

Prof. Robertson is now conducting tests to ascertain the correct temperature for the ouring room. So far as their experience went it was found shat not above 65° would obtain the best results. This work was carried on last year as well and it was believed the results would prove of advan believed the results would prove of advan since the for the A.O. F. and C.O. F. union excursion to that place on Civic Holiday Aug 9th.

Arrangements have been made, we under stand, to establish a sanitarium in the residence recently purchased by Dr. Rogers from S. L. Doolitite. Any physician may send patients to it and the institution will be in charge of Miss Ryan, daughter of Jan. Ryan, and her assistants. Miss Ryan is a graduate of St. Marys Hospital, Brooklyn, N. Y., and she bas ex-ensive experience in descent in the several institutions in New York City, at that it would ever be a formidable, rival of the laws social on the place on Civic Holiday Ang 9th. Everone should keep the date open as there romises to be the largest crowd on record there that day as in addition to the excursion from here it is the day of the Irishmen's Excursion from London.

Enjoy yourselves while you may. The Oddfellows' Band will Turnish a delightful programe at the iawn social on the beautiful programe at the iawn social on the beautiful programs at the iawn social on the beautiful programs. The world as the several institutions in New York City, at that it would ever be a formidable, rival of Canada. So long as men can make morey tage to factorymen.

Mr. Ruddick expressed his pleasure in Canada. So long as men can make money evening of this week. Admission to in wool and mutton they would not go into grounds ten cents. Refreshments, Ice the cheese business.

Mr. Ruddick closed his excellent address Proceeds in aid of the organ fund of the by urging factory men to endeavor to im-

own old age, besides protecting your wife and family in case of early death.

Absolute security and all the latest improved plans.
