#### FREDERICTON.

The City Crowded With Visitors All Day Long.

(From a member of the Sun staff.) Fredericton, July 1.—Visitors to the capital are having a cool, breezy, delightful day, with just enough of cloud overhead to temper the sun's heat. The city is crowded with strangers this afternoon. There are crowds at Scully's grounds and at the park. There have been sports of some sort on at Scully's grove all day.

A large number of Foresters came up in the early train and a big crowd

on the excursion train. More people came in by the Canada Eastern, and from the north and south, and in fact all parts of the province are repre-

The Foresters formed up after dinner and marched in procession along Queen and other streets, preceded by a band, the ranks breaking up at Scully's grove. About two hundred men were in line, and made a very creditable turnout. The members wore badges or regalla, and high court offi-cers in uniform walked in rear of the procession. A better day for such a turnout could not have been selected. Queen street, crowded with sighseers, presented a very animated picture during the march.

hall this evening, but could not give her regular entertainment from the fact that none of her baggage had arrived. D. H. Pingree explained that they had left Charlottetown this morning, and their baggage was checked to Fredericton, but had been left over in St. John. They would do the best they could, and give tickets to those in attendance for tomorrow evening.

#### BUCHANAN'S BODY

On View to Crowds at a New York Undertaker's.

His Wife Kissed the Face of Her Dead

And Called on Him to Speak to Her-The-Burial Will Probably Take Place in Greenwood Cemetery.

Sing Sing, N. Y., July 1.-With two electric contacts consuming not over a minute Dr. Buchanán was put to death in Sing Sing prison today just before noon. Like all the others who have preceded him, he went to his death calmly and did not say a word in the death chamber. The only appearance of fright or weakness was the fact that he closed his eyes when again. Two contacts were made, but all the physicians and electricians all the physicians and electricals claim that the second contact was merely precautionary, and that the victim died instantly. There were no burns and no unpleasant features, and every physician present declared the execution a success.

New York, July 1.—The body of Dr.

Robert W. Buchanan was brought to this city tonight from Sing Sing by undertaker Huhus. Geo. W. Gibbons and his partner, Mr. Roxes, the lawyers who defended Buchanan were present at the undertaker's establish-Huhus placed the body in a lead casket, covered with black cloth and silver handles. At 10 o'clock Mrs. Buchanan carrived. She slipped through the crowd unobserved and passed into the room. When she reached the side of the casket she leaned forward and in a most pitiful manner said: "Oh Rob, dear Rob, speak to me! Rob, Rob, open your eyes! Look at me, Rob."

Leaning forward the poor woman kissed the face of her dead husband, again and again calling on him to speak to her. Every moment she grew wilder and hysterical and unable to control herself she shrieked: "Oh! Rob."
I love you so; speak to me, dear Rob!"
After, some difficulty her friends succeeded in getting the unfortunate taken to another room, where every effort was made by her friends

Arrangements have not been made for the funeral, but Mr. Gibbons said that the burial would probably be in
