Brothers and Sisters-Three years ago, in this city of Fredericton, you honored me by election to the office of grand chief templar. THE UNITED BAPTIST CONFERENCE BEGUN

Held Tuesday

Real Work of The Conference Begins Today— Large Number of Delegates are in Attendance

The ministers' conference of the United Baptist churches of N. B. met for organization yesterday afternoon in Brussels street Baptist church. Thirty-six answered to their names at roll call, but this number was increased before the session was over. The chief business before the meeting was the election of officers. Rev. E. J. Grant was appointed chairman and Rev. F. Allison Currier secretary. An executive committee was appointed consisting of Rev. Frank E. Bishop, Rev. C T. Phillips and Rev. D. Hutchinson. At the conclusion of the business a general discussion took place on the practical working of the union since organization last October. A large number spoke on this subject, heartily endorsing the move taken as one in the right direction.

In the evening preaching service was conducted by Rev. E. J. Grant in the absence of Rev. B. H. Nobles, who was expected to officiate. Rev. Mr. Gran took for his text the 21st verse of the third chapter of 1st Corinthians, "Therefore let no man glory in men, for all things are yours." In opening preacher spoke of the failure the people of Corinth to grasp the truth of St. Paul's message. In speaking of what belongs to us, the speaker said that not only the ministry but the world belongs to us. To the child of God, however, more especially as he can use it to the highest and noblest purposes. God intended for us all to get eternal good out of life, and this can only be done through belief in Christ.

In conclusion the speaker said that not only the world was ours but death also. Death is a possession to the child of God whereby he realizes to the full the best out of life.

At this forenoon's session Rev. C. W Townsend preached the association Mr. Townsend took as hi text, Luke 1-1, and delivered a simp and eloquent address on the funda-mental doctrines of the New Testament as he understood them. He spoke of the incarnation, atonement and resurgospel teachings as applied to everyday life. After the sermon a conference meeting was held at which ministers and laymen told of their personal ex- SUBSIDIES FOR

## The Reason Why?

If you are not well there is a reason. If you do not get well there is a reason. The reason is probably the same in both instances, namely, that your system is so run down, that it is in no shape to either resist or throw-off disease.

The remedy is obvious:-Build up the constitution and nature will do the rest. As a system builder

THE PREMIER'S POSITION.

Speaking on the subject. Hon. Mr douin pointed out that this was no party question. The Conservative premiers of the western provinces side with their Liberal fellow-premiers in furthering the demand, which, he declared, was based on the most reasonable grounds. As the population increased the cost of the administration of justice, to take only one item, was bound to increase. The figures which quoted show that the expenditur on this score has more than trebled since confederation, yet the federa subsidy remains exactly what it was i
