

REPORT.

THE lapse of another year having again brought together the Associated Alumni, the Executive Committee in accordance with established custom beg to present their fifteenth Annual Report.

The year that has passed has been marked by an event of more than ordinary interest to the College, viz.: the commencement of the long talked of, and much needed, additional, building for College Hall, Library, and Museum. It will be remembered that at the last annual meeting of this Association a Committee was appointed to solicit funds for that desirable object. In October last your Committee held a special meeting to receive the report of that Committee, at which it was represented that the estimated cost of the buildings would be £1750, and the amount then raised was about £1400;—at that meeting your Committee was requested to guarantee any deficiency that might arise, and a resolution was passed recommending the Association to appropriate whatever funds might be available to make up the deficiency that then existed. Since that time considerable alterations were made in the plans of the buildings, which increased the cost to £2,250, and a special general meeting of the Alumni was called, in accordance with the Bye Laws, on the 12th April last, at which the Building Committee reported that Mr. Lang had tendered to construct a suitable stone and brick building, according to plans and specifications then submitted, for the sum, just mentioned, of £2,250. The Committee also reported that the subscription list then amounted to about £1800, and they wished before entering into any contract to be indemnified against any personal liability.

Whereupon a resolution was passed empowering the committee to
