FERGUSON'S INTERESTING PARAGRAPHS OF SPORT HERE AND ELSEWHERE

REPUTATION IMPROVED

Sandy Ferguson did a lot to offset the bad reputation he has had among followers of the boxing game when he boxed the cleanest sort of a bout against Jim Barry in spite of the provocation he had to retaliate in kind when Barry used foul tactics.

Barry's Actions Deliberate. Barry's actions were all deliberate. He tried to get Sandy to lose his head. He made a bid to win on a foul when he removed his protector before the bout started, and during the contest did everything he could to stir Sandy up. But he failed, and when Sandy cut loose he deliberately fouled rather than he knocked out. His whole exhibition was an unsportsmanlike as was seen in a Boston ring.

Hughes MacLean, who is the one man responsible for this remarkable rejuvenation of Sandy, says that Sandy would not have a clearly conceived plan. MacLean didn't want any fouling. He preferred to let the bout go along and to let Barry do his worst in the early rounds, then to bring the fight to a close by a knockout when he started. The poor showing made by Sandy in his first seven rounds was more than offset by his splendid boxing in the ninth and tenth and in the end MacLean's plan justified itself.

Sandy has received an offer from San Francisco to box Kaufman there in a 20-round battle, April 29. Sandy will jump at the chance, but Kaufman has not yet accepted. A battle with Kaufman will prove just what Sandy's class really is, and whether there is anything in Hughes MacLean's conviction that Sandy can defeat Jack Johnson.

MAY FORM M. P. ROWING ASSOCIATION

There is a movement on foot in Halifax to form a Maritime Provinces Rowing Association. It is said by the Halifax papers that St. John oarsmen will be approached with regard to the matter. Local clubs should see that such an organization does not become a purely Halifax one. That objection has been urged against the M. P. A. A. The time to prevent that happening is to take action at the first.

Rowing Association. "Last evening a number of amateur boating enthusiasts discussed the proposed Rowing Association and members of two clubs, the Lornes and St. Mary's, said their clubs were ready to proceed. Other clubs were not represented, so it was decided to call a meeting for April 22nd, to proceed with the organization of the Association, either as a Maritime Provincial or city affair. The different clubs will be asked to send representatives to the meeting, to be held at the Lorne club house. The proposition was discussed in all its phases, and some information from abroad given. The Canadian Amateur Oarsmen's Association will be communicated with us, as it is anticipated affiliation will be made with that body if satisfactory arrangements can be made. If satisfactory affiliation is not possible the new association will start as an independent one with Maritime Provinces jurisdiction. St. John boating men will be approached and asked to interest themselves in the matter. Action was suggested at this time in view of the approaching spring meeting of the city boating clubs."

Chick Frazer of the Cubs, is the latest baseballist to seek Bonsetter Reese at Youngstown. Chick does not think that his trouble is serious, but he is going to take no chances.

Freddie Parent celebrated his return to the White Sox by hitting Wichita pitchers for a double and two singles. Wichita seems to have some nice box artists for the practice season.

After looking over Zimmerman's work from all angles, Manager Chance of the Cubs has decided that Artie Hoffman would make a better second baseman and will give him the regular berth until Johnny Evers puts in an appearance.

Pitcher Edgar Willett of the Detroit team banged out two home runs in the game between the Tigers and Wichita Monday. Incidentally, McIntyre and Crawford each connected for a circuit smash and Rossman for a double and a triple.

The new \$1,000,000 baseball park in which the Pirates will meet their opponents after July 1, is to be equipped with an extensive electrical system by which games at night will be possible.

George Stone has quietly tipped it off that he proposes to go after that top place in the batting list of the American league this season. Which means that some other well-known batters will have to hit the trail at a fast clip.

Frank Delehanty told his former mates on the Yankees that he was playing with Louisville to earn his way back to the big circuit. Del's hitting has helped the Colonels to slide into many victories in practice games.

The Canadian Henley will be held on the course at St. Catharines, Ont., July 30-31.

The Glouce Bay A.A.A. has secured the M. P. A. A. boxing championships which will be held in King's Theatre, Glouce Bay, Monday, April 19. Tom Foley will be on hand to look after the men.

Durnan has ordered a new shell from Ward, of New York. The new boat will be the lightest ever rowed in Canada, and will weigh only 22 pounds. It will have aluminum outriggers. He will use his Donahue oars.

Acadia University was defeated at basket ball by Dartmouth B.C.A. on the 9th, in Dartmouth. The score was 14 to 13. At half time the score stood 8 to 8. The line-up was as follows:

Acadia—Forwards, Hayward, Faulkner; centre, Grant; defence, Hewson, Magner.
D. B. C. A.—Forwards, Patterson, McLennan; centre, Teasdale; defence, Drury, Hockin.

Acadia had 11 fouls, D.B.C.A. 4.
Amherst Ramblers are talking of holding a big athletic meet on Victoria Day.

It is doubtful at the present time whether the Moncton association football team, champions of the Maritime League, will in the coming season defend the honors which they won last year. The club went behind in money matters last year, through lack of public support and there was also a good deal of unpleasantness in the league, according to the local officials. It is said that Moncton had

MARITIME ASSOCIATION LEAGUE

Commenting on the fact that it looks as if the Moncton Soccer League, which last year won the Maritime Province championship, will drop out of the league this season, the Moncton Transcript gives the following information concerning the Maritime Association Football League:

The Maritime Association Football League was formed last year; previous to this there existed what was known as the Cumberland County League, confined to clubs in Cumberland County. Last year Moncton applied for admission, and a new league was formed called the Maritime League, consisting of six clubs, viz: Amherst United, Amherst Wanderers, Springhill Rovers, Springhill Thistles, River Heights United and Moncton. Home-and-home fixtures were arranged and Mr. E. N. Rhodes put up a cup to be competed for annually, the winner to hold the cup one year. The cup was called the Rhodes Trophy. Moncton finished at the top and now holds the coveted silverware. They played nine games, won seven, lost one, and drew one. The draw game was with the Amherst United. The game was ordered to be replayed on account of an irregularity on the part of the Amherst team, but the replay never took place. Amherst Wanderers failed to keep appointment with Moncton and forfeited the game which means actually eight games won by the local team. The only games lost was to the Springhill Rovers and the defeat was largely due to the fact that all of the Moncton players were unable to get away."

BASEBALL NOTES.

Dick Hoblitzel, who made a very good impression here last year as first baseman for Cincinnati, will hold down that position again this year. He is an old University of Pittsburgh football and baseball star and is one of the most promising youngsters in the big leagues.

Manager Duffy of the Providence Grays says that he is not expecting to have Royal Shaw this year, but will play Roy Rock on third with probably Winston on second base. Shaw has not agreed to Duffy's terms.

That Deacon Philippi, the veteran Pittsburgh pitcher, will come back this year seems to be the opinion of the Pirates' scribes. Philippi has not had a really good year since 1903.

Chick Frazer of the Cubs, is the latest baseballist to seek Bonsetter Reese at Youngstown. Chick does not think that his trouble is serious, but he is going to take no chances.

Freddie Parent celebrated his return to the White Sox by hitting Wichita pitchers for a double and two singles. Wichita seems to have some nice box artists for the practice season.

a rather difficult time in holding the cup which they fairly won and a good many of the local members do not feel inclined to enter the league again this year.

If the Moncton club does not enter the league this year it is probable that friendly games will be indulged in and a number of exhibitions played in the city. The prospects are good for a strong team here as all last year's material is available. What is most needed by the club is the support of the public.—Moncton Transcript.

Harvard's spring handicap contests in the track events were continued Wednesday with a hammer-throwing contest, which was won by J. C. Jones, 11, from a distance with an actual heave of 130 feet, 6 inches. Second in the contest came E. H. Ruch, 10, with an actual throw of 125 feet, 7 inches, from scratch also.

Says Arthur Duffey, in the Boston Post: "In the happenings in the sporting world the American athletes have certainly been getting it in the neck. Now comes St. Yves, who captured the great New York Marathon, and Owen Moran, Freddie Welch, Yussif Mahomout and Jim Driscoll have beat us. Certainly America will have to make up."

The Eastport Lobsters are out with challenge to the Shamrock basket ball team of St. Andrews. The proposal is for home-and-home games with a play-off on a neutral floor for the championship of Washington Co., Maine, and Charlotte Co., N. B.

MONTREALS ARE HEAVY HITTERS

Capt. Jimmie Casey has issued the following about the Montreal Eastern League team: "New Britain, Conn., April 9.—The Royals are now at waiting for the bell. The team had two hours at the field yesterday afternoon and did some fast work. The New Britain team had the field in the morning. There are sixteen men in the New Britain camp at present. They will take the field Thursday morning and we will be out in the afternoon for the last practice before we have a nine inning tryout with Meriden tomorrow. I haven't decided yet whether Adams or Smith will serve them out to the Meriden men. I can see how they can go by early next week every man on the pitching staff will be on the slab in an exhibition game by that time. Buelow will make a good side partner for Tommy Clark in the catching department. He is clever at mitting benders and has an arm that can shoot them down to second. He is hitting the ball well, too.

"I have a great bunch of swat artists in the outfield. They will be able to keep the team batting average up. If some of the others should fall behind, Joyce and O'Neill are laying into them. They are passing up a big turn also, looking them out. Wicker who was due a week ago, hasn't arrived yet, and I have doubts about his coming at all."

The start was at Barnhill's Corner, Fairville, at about three o'clock. The two runners started out at a lively clip. Humphrey leading, with Reade sticking close to him. They remained in this position almost throughout the race. At Spruce Lake there was a little brush between the two runners but Humphrey maintained the lead.

Humphrey Drops When the two entered Fairville Reade sprinted and passed his opponent. The latter attempted to respond to the sprint but fell. He was carried into Dr. McFarland's office and was kept there until 8.30 o'clock when he went to his home. He had recovered at that time.

The Finish Reade, as soon as he learned that Humphrey had dropped out, eased up a little. At the finish, however, he sprinted and finished in excellent condition.

Humphrey a Three Mile Man. Humphrey ran a plucky race. He is a three-mile man and was really running beyond his distance. He had trained well for the race, however. Reade had done the same, having gone over the course and also done some indoor training. He was in good shape and says that much credit is due his trainer Gerald Stanton. Reade ran for the Every Day Club, Humphrey for La Tour A. C.

Suspension Possible A regrettable feature of the race is the fact that it is unsanctioned. This state of affairs was due purely to oversight and it is hoped that the athletic authorities may see fit to overlook it. Manager Fred Tufts of the Queen's Rink is taking no chances with regard to this and has informed Reade and Humphrey that they will not be allowed to compete at the Mohawk-All-St. John indoor meet to be held Friday.

Y. M. C. A.'S PAPER CHASE BIG SUCCESS

The Y. M. C. A. opened its season of outdoor sports yesterday morning with a most successful paper chase. The chase was successful in more ways than one. There was a big turnout of runners, good time was made, and the keenest interest was displayed by the members of the association.

The Senior Chase. There were two classes, senior and junior. Melrose and Pendleton were the hares in the senior run. They covered the course in 48 minutes, going out over Mount Pleasant, through Rockwood Park and finished at the Intercolonial Round House. The three hounds who covered the distance in the best time were the following: 1, King, 1 hour, 13 minutes; 2, Harper, 1 hour, 15 minutes; 3, Wilson and Dobson, 1 hour, 16 minutes.

The Boy's Chase. The boys' chase finished on Westmorland Road. The boys went out of Gilbert's Lane and across a portion of the park. The hares, Malcolm and McLeod finished in 1 hour and 5 minutes. The leading hounds finished as follows: 1, Finley, 1 hour, 27 minutes; 2, Dearborn, 1 hour, 28 minutes; 3, Sinclair, 1 hour, 29 minutes; 4, Murray, 1 hour, 30 minutes; 5, Wisely, 1 hour 30 minutes, 30 seconds.

NEWS AND NOTES OF SPORT.

Bois Becker looks pretty good at first base with the Boston Nationals. Second Baseman Knabe is playing a fine game for the Philadelphia Nationals.

Harry Mace, the well known minor league umpire, will officiate in the Virginia League this season. The Augusta Club claims to have an other Ty Cobb in "Cad" Coles. Ty broke into the game at Augusta.

Manager McGraw has a scrappy bunch of Giants at work this spring. Seymour, Coates and Herzog have all mused-up a bit so far.

Manager Chance says that it is a cinch that his Chicago Cubs will win their fourth straight pennant this season.

READE, OF E.D.C., WON WEST SIDE ROAD RACE BEFORE BIG CROWD

Reade won the road race on West Side yesterday afternoon. Humphrey did not finish, as he collapsed when entering Fairville on the return from Spruce Lake. About thirteen miles were covered. The time was 1 hour, 25 minutes.

Crowd Turned Out At the finish there was a big crowd of spectators who lined the streets of Fairville and Carleton and cheered the winner as he sprinted to the line. Each runner had his strong supporters and there was a keen rivalry between the two. The roads were in fairly good shape considering the season of the year.

The Race The start was at Barnhill's Corner, Fairville, at about three o'clock. The two runners started out at a lively clip. Humphrey leading, with Reade sticking close to him. They remained in this position almost throughout the race. At Spruce Lake there was a little brush between the two runners but Humphrey maintained the lead.

CORSICAN'S ELEVEN COULD NOT PLAY

The Association football match which was scheduled to be played yesterday afternoon between the St. John City team and an eleven from the Alban liner Corsican, did not take place. The match had to be called off on account of the sailors not being able to leave their ship, owing to a rush of work.

The Corsican will not be in port again this season as her next trip will be to Montreal. Consequently there will be no match between the two teams until late next autumn at the earliest.

Today's Match. The Bankers-City game will be played this afternoon. A lively match is expected as the two XI's are well matched. The kickoff will be at 3 p. m. on the Victoria Grounds.

old Pitcher Bushelman recently for \$300. A year ago Bill refused \$5,000 for his wonder.

"Old Cy" Young made a swell debut with the Naps, allowing New Orleans only one hit in five innings. Looks as though the youngster will make good.

Capt. Currier will not take his Harvard team to Seattle this summer for the "round robin" that the exposition people are trying to arrange for Eastern college nines.

Monroe, La., has been admitted to the Arkansas State League, being the eighth city to fall into line. The circuit, as now completed, consists of Hot Springs, Pine Bluff, Helena, Fort Smith, Texarkana, Argenta, Jonesboro and Monroe, La.

As a result of losing ten of the eleven games in Washington last season, the Cleveland team will carry their own drinking water on their visits to the Capital this summer. Strange that the Washington water should overlook the other six teams that always do well in Cantonmentville.

Reade who won the road race at Spruce Lake yesterday afternoon, is after Hanson, of Fairville. There was strong rivalry between the two runners last year and Reade wants to settle which is the better man. He is willing to run any distance up to that covered yesterday and will take on Hanson at any time.

It is to be hoped that a race between the two can be arranged. There is great interest expressed in road racing this year and the more races there are the better for sport.
