The Shakespare Twelfth Night entertainment which was such a success at the Natural History Society rooms on January 6th was repeated at the St. Stephen's church last evening.

No Meeting

The common council did not meet in committee yesterday as there was not a quorum present. Those who were there talked over the proposed assessment act and decided to take up the matter at next Monday's meeting. It is expected that several amendments will be made before the act is submitted to the legislature.

Coroner W. F. Roberts has empaneled the following jury: Fred Lynch,
G. Dwyer, L. H. Belyea (foreman),
Robert Finnigan, A. F. Belding, J.
Perley Lunney and A. J. Machum to
officiate at an 'inquest to be held in
the court house on Thursday evening
at eight o'ckek into the circumstanremain as good as they are at present
taking over of the armory and expects
to place a large crew of men at work
on the alterations and improvements
to fit the building as a discharge hospital.

Mr. Bower said last evening that
he had no announcement whatever to
make in regard to the new building,
the place of the armory and expects
to place a large crew of men at work
on the alterations and improvements
to fit the building as a discharge hospital.

Has Sent Thirty-five Men to Halifax for Training-Ranks Fifth in Point of

Will Face Four Charges. John Doyle, who was arrested last night on Union street by Police Constables Biddescombe and Gorman, will have to face four charges when he appears in the police court this morning. In addition to being drunk the officers claim that the prisoner was profane, obscene and violently resisted. **Do Measure** No. Measure**
